

City of Alliance Building Guide

Residential Mobile Homes

General Requirements:

1. Lot Coverage: The square footage of the mobile home along with any accessory structures may not exceed 50% of the lot coverage.
2. Size: The mobile home must meet or exceed the minimum dwelling sizes listed below.
 - a) One bedroom: 380 ft²
 - b) Two bedroom: 500 ft²
 - c) Three bedroom: 600 ft²
 - d) Four bedroom: 1000 ft²
3. Skirting: The entire undercarriage and wheel assembly shall be screened from view by means of a nonflammable skirting material that shall extend from the mobile home pad to the floor level of the mobile home.
4. Tie Downs: Mobile homes may be placed on a permanent foundation or basement but as a minimum shall be tied down according to the mobile home manufacturer and HUD specifications.
5. Mobile homes shall not extend farther into the setbacks than previous homes on the same lot.

Permits Required:

1. Plumbing for water and sewer service connections.
2. Gas piping for any natural gas connections.
3. Electric permit from the State of Nebraska.
4. Structure moving permit.
5. Additional building permits are required for any garages, carports, or sheds.

Inspections:

1. Sewer service connections.
2. Water service connections.
3. Natural gas service connection.
4. Electrical service hookup from the State of Nebraska.
5. Mobile home tie down and anchoring BEFORE installing skirting.

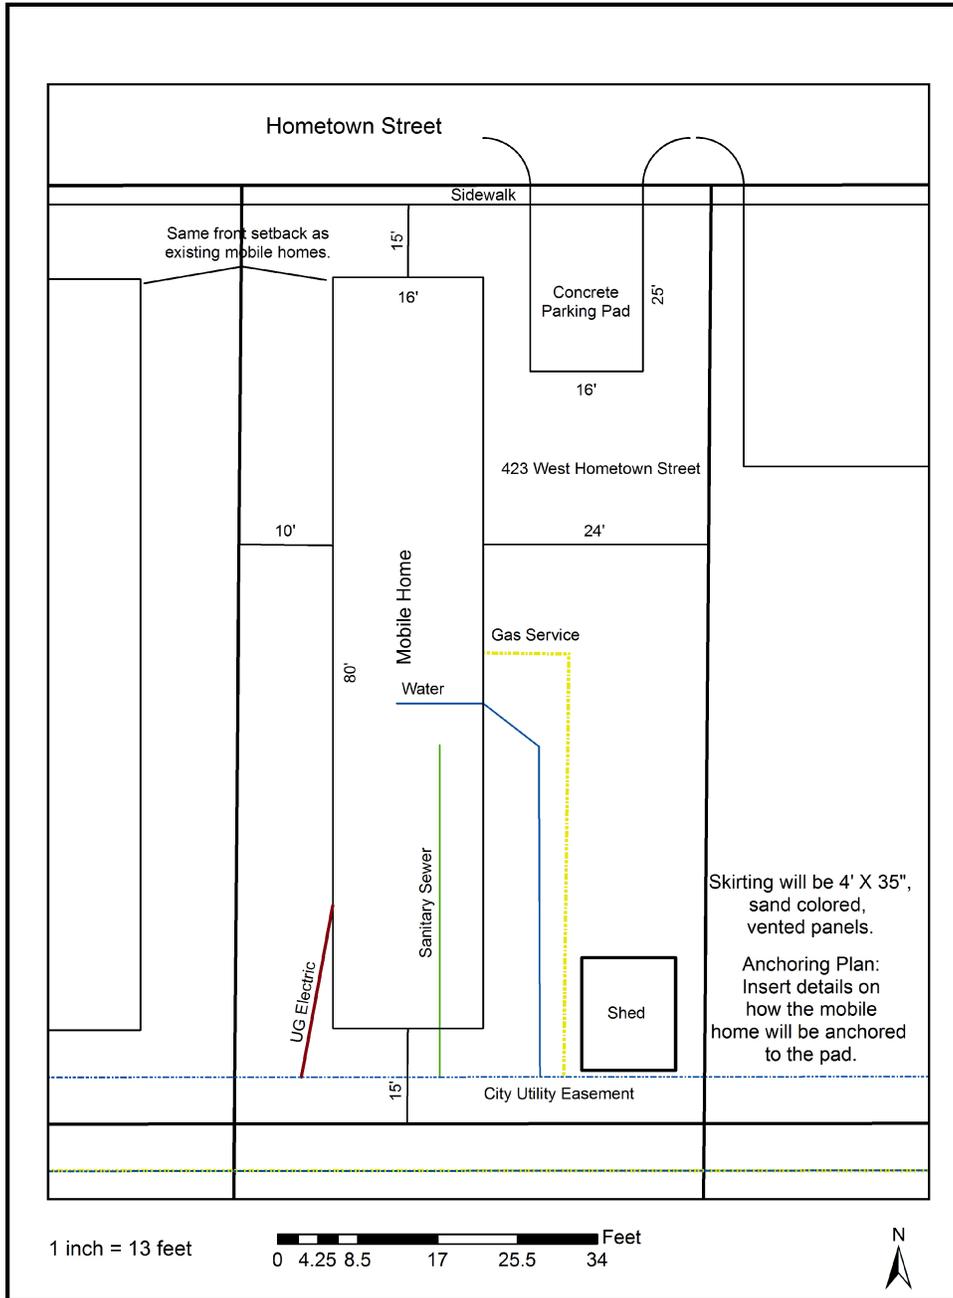

This handout was prepared according to the 2018 International Residential Code and the City of Alliance Municipal Code. This handout is not intended to cover all circumstances. Additional information may be required by the City before approving any permit application.
