LOCATION: Alliance PAC	DATE: 11/18/2021	TIME: 1730	

DETAILS:

Alliance Police continues the campaign to increase awareness around sexual assaults and human trafficking with the goal of reducing victimization in the city of Alliance. The Third Talk, a non-profit has been working with Schools and Law Enforcement to educate families regarding safety on the internet. The Alliance Police Department and the Alliance Christian Ministerial Association are hosting the Third Talk at the PAC center, Thursday, November 18, 2021 at 5:30 p.m., admission is free.

Chief Lukens stated, "I hope children (ages 12 and up) and their parents will join us for a valuable meeting. This will be a great opportunity to have discussions with your children to make sure they are staying safe on the internet. It's easier to help your child get over losing a toy as a result of a theft than it is overcoming a sexual assault. We all need to work together to stop sexual assaults in our community, we all need to be there for this meeting."

Chief Lukens will give a brief presentation followed by John Van Arnam the founder of The Third Talk.
