Subject: Background check on Derek Johnson

To whom it may concern:

On 02/15/2023 I conducted a background check on the person of Derek Johnson. An interview was also conducted VIA phone and was in reference to his liquor license application for Co-owner of The Dead Unicorn Society.

Derek Johnson does not own any other business, Derek Johnson does have secondary employment with BNSF.

Derek Johnson has never obtained a liquor license in the past. Derek Johnson has no history with selling alcohol.

Derek Johnson will be living in Alliance Nebraska.

Derek Johnson will be responsible for countless employees and understands the importance of responsible alcohol service. Derek Johnson will ensure that each employee undergoes Safe Serve Alcohol training through the State of Nebraska.

Derek Johnson understands that he is responsible for all of the employees who work for him, regardless of whether or not Derek Johnson is present.

Derek Johnson advised The Dead Unicorn Society has already established protocols for dealing with fake ID's, selling alcohol to minors, disturbances, etc.

After reviewing Derek Johnson background I did not see anything that would be a concern for approving the request. Derek Johnson advised he does not have any current civil suits or judgements and has not filed for bankruptcy.

Over all I do not have any concerns with Derek Johnson receiving his liquor license within the City of Alliance.

Respectfully,

Kirsten McCracken C1
