- Next, Ordinance No. 2955 is before Council on the second reading which will Rezone Lots 1-3 and Lots 16-18, Block 17, Original Town of Alliance, Box Butte County, Nebraska, addressed 324 Laramie Avenue and 315 Cheyenne Avenue. The proposed rezone of said described land is from C-O (Commercial Office) District to C-2 (Central Business) District. The following information was provided:

May 02, 2023

[The City of Alliance has submitted an application to rezone Lots 1-3 and 16-18, Block 17, Original Town of Alliance, Nebraska, otherwise known as 324 Laramie Avenue, from C-0, Commercial Office to C-2, Central Business District. The rezone is requested to remove the spot zone of C-0 zoning, to reduce the setbacks so the existing building will meet the City's code, and reduce the setbacks for a proposed addition to the north side of the building.

The parcel of land is the north half of the block located between W 3rd and 4th Streets and Laramie and Cheyenne Avenues. The parcel is currently zoned C-0, Commercial Office. It is bordered to the north and west by R-1, Single Family Residential, and to the south and east by C-2, Central Business District zoning. The lot is currently used for the City Municipal Building and Fire Station. There is a duplex and art museum to the north, single family residences to the west, commercial land uses to the south and east.

The parcel is approximately 1 acre in size. There aren't minimum lot sizes or dimensions required in C-2 zoning. The proposed rezone will change the front setback from 25' to 0', the rear setback from 25' to 0', the side setback from 14' to 0', and the side street setback from 15' to 0'. The existing structure on the lot does not meet the current C-0 setbacks as it is set back only 8' from the front, 0' from the side street, 8' from the alley, and 22' from the rear. The lot is adjacent to Laramie Avenue along the east side, West 4th Street along the north side, and Cheyenne Avenue along the west side. All of these streets are identified as local streets. The land use is not proposed to change and the rezone should not increase the traffic in this area beyond current levels.

The lot is located in the Central Core Neighborhood and on the edge of the Downtown District. The Central Core Neighborhood is characterized as being the heart of Alliance and possesses the historic ambiance of the City. It is identified as being primarily residential but it does have some limited commercial uses. The importance of this neighborhood cannot be underestimated and its character should be maintained. The rezone is adjacent to the Downtown District Neighborhood and contains characteristics of that designation such as short setbacks, brick building and street construction, and nonresidential uses.

The City of Alliance Planning Commission met at their regular meeting on March 14, 2023 and voted to recommend the City Council approve the rezone of Lots 1-3 and 16-18, Block 17, Original Town of Alliance, Nebraska, from C-0, Commercial Office to C-2, Central Business District Commercial., after making the following findings of fact:

1. The rezone would not create any nonconforming lot sizes.
2. The rezone would bring the existing structures in to conformance with setback requirements.
3. There is ample access to the rezone parcel.
4. A rezone to C-2 would be consistent with the image of the Core Neighborhood as a limited commercial area and would not change the existing character of the district.

May 02, 2023

5. The proposed rezone is adjacent to existing C-2 zoning and it would eliminate the current spot zone of C-0.
  6. City utilities are already available in this location.
- One finding of fact not to recommend was that the proposed 0' setback would be inconsistent with the setbacks required in the adjacent residential zoning.

Options:

Leave the zoning the same and:

1. The current buildings remain nonconforming because they are in the setbacks required by the C-0 zoning.
2. The City cannot add on to the building without meeting its own code because of the setbacks in the C-0 zoning.
3. The spot zone of C-0 amongst the C-2 zoning remains.
4. The setbacks would remain the same as those of the adjacent residential district.

Change the zoning to a district other than C-2 or C-0 which would not accomplish any of the stated goals.

Change the zoning to C-2 for the reasons the Planning Commission made in the findings of fact.

May 02, 2023

Councilman Mashburn stated the 4<sup>th</sup> of July is once a year and is a celebration that brings families together and to spend time together.

Councilman Andersen expressed concern how the number of days that fireworks are sold and discharged has divided our community. Encouraging Citizens to come forward to express their input on this matter, and allow this to be a positive change and bring the Community together.
