INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and Members of the City Council
City of Alliance, Nebraska

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Alliance, Nebraska as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Alliance, Nebraska, as of September 30, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City of Alliance, Nebraska, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Alliance's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

1203 W 2nd Street
P.O. Box 1407
Grand Island, NE 68802

EMAIL cpa@gicpas.com

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Alliance, Nebraska's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Alliance, Nebraska's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 6-15 and 68-74 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We and other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Alliance, Nebraska’s basic financial statements. The combining nonmajor governmental funds financial statements, the combining internal service funds financial statements, and the schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America by us and other auditors. In our opinion, the supplementary information described in the second sentence of this paragraph and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 23, 2023, on our consideration of the City of Alliance, Nebraska’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Alliance’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Alliance, Nebraska’s internal control over financial reporting and compliance.

AMGL, PC.

**CITY OF ALLIANCE, NEBRASKA
MANAGEMENT’S DISCUSSION AND ANALYSIS
For The Year Ended September 30, 2022**

MANAGEMENT’S DISCUSSION AND ANALYSIS

As management of the City of Alliance, we offer readers of the City of Alliance financial statements this narrative overview and analysis of the financial activities of the City of Alliance for the fiscal year ended September 30, 2022.

Financial Highlights

- The assets of the City of Alliance exceeded its liabilities at the close of the most recent fiscal year by \$93,124,715 (*net position*). Of this amount, \$23,411,752 (*unrestricted net position*) may be used to meet the government’s ongoing obligations to citizens and creditors.
- As of the close of the current fiscal year, the City of Alliance governmental funds reported combined ending net position of \$52,637,046. Approximately 11.7 percent of this total amount, \$6,139,164, is *unrestricted net position*.
- At the end of the current fiscal year, unassigned fund balance for the General Fund was \$3,554,543, or 49.4 percent of total General Fund expenditures.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City of Alliance’s basic financial statements. The City of Alliance’s basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains required and supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the City of Alliance’s finances in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the City of Alliance’s assets and liabilities, with the difference between the two reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City of Alliance is improving or deteriorating.

CITY OF ALLIANCE, NEBRASKA
MANAGEMENT'S DISCUSSION AND ANALYSIS, Continued
For The Year Ended September 30, 2022

The *statement of activities* presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave). Both of the government-wide financial statements distinguish functions of the City of Alliance that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City of Alliance include general government, public safety, highways and streets, economic development, and culture and recreation. The business-type activities of the City of Alliance include the Electric, Water, Sewer and Refuse Funds. The government-wide financial statements can be found on pages 16 and 17 of this report.

Fund financial statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Alliance, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City of Alliance can be divided into two categories: governmental funds and proprietary funds.

Governmental funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City of Alliance maintains 24 individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Street Fund, Sales Tax Fund, Debt Service Fund, Redevelopment Fund, and Airport Fund, all of which are considered to be major funds. Data from the other 18 governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds are provided in the form of *combining statements* elsewhere in this report.

CITY OF ALLIANCE, NEBRASKA
MANAGEMENT'S DISCUSSION AND ANALYSIS, Continued
For The Year Ended September 30, 2022

The City of Alliance adopts an annual appropriated budget for its governmental funds. A budgetary comparison statement has been provided for the General, Street, Sales Tax, Debt Service, Redevelopment, and Airport Funds to demonstrate compliance with this budget.

The basic governmental fund financial statements can be found on pages 18-21 of this report.

Proprietary funds. The City of Alliance maintains two different types of proprietary funds. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City of Alliance uses enterprise funds to account for its Electric, Water, Sewer and Refuse Funds. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the City of Alliance's various functions. The City of Alliance uses internal service funds to account for its employee health insurance and shared departmental expenses. Because these services predominantly benefit governmental rather than business-type functions, they have been included within *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Electric, Water, Sewer and Refuse Funds. All four funds are considered to be major funds of the City of Alliance.

The basic proprietary fund financial statements can be found on pages 22-25 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 26-67 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information* concerning the City of Alliance's budgetary comparison schedules. Required supplementary information can be found on pages 68-74 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds and internal service funds are presented immediately following the required supplementary information. Combining and individual fund statements and schedules can be found on pages 75-81 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City of Alliance, assets exceeded liabilities by \$93,124,715 at the close of the most recent fiscal year.

Net Position:						
Net Investment in						
Capital Assets	38,231,805	23,068,667	61,300,472	41,350,718	22,762,225	64,112,943
Restricted	8,266,077	146,414	8,412,491	5,158,885	96,517	5,255,402
Unrestricted	6,139,164	17,272,588	23,411,752	6,000,720	15,581,262	21,581,982
Total Net Position	<u>\$ 52,637,046</u>	<u>\$ 40,487,669</u>	<u>\$ 93,124,715</u>	<u>\$ 52,510,323</u>	<u>\$ 38,440,004</u>	<u>\$ 90,950,327</u>

By far the largest portion of the City of Alliance's net position (65.8 percent) reflects its investment in capital assets (land, infrastructure, buildings, machinery, vehicles and equipment), net of any related debt used to acquire those assets that is still outstanding. The City of Alliance uses these capital assets to provide services to citizens; consequently, these assets are *not* available for future spending. Although the City of Alliance's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the City of Alliance's net position (9.0 percent) represents resources that are subject to external restrictions on how they may be used. The remaining balance of *unrestricted net position* (\$23,411,752) may be used to meet the government's ongoing obligations to citizens and creditors.

At the end of the current fiscal year, the City of Alliance is able to report positive balances in all three categories of net position, both for the government as a whole and for its separate governmental and business-type activities.

Total	<u>\$ 13,769,814</u>	<u>100.00 %</u>	<u>\$ 12,586,981</u>	<u>100.00 %</u>

Net position increased \$126,723 in the governmental funds during the year ended September 30, 2022.

In addition to utility fund transfers, the governmental funds are financed by revenues from property tax, state aid, municipal equalization, mutual fire organization aid, grants, user and license fees and sales tax.

The City received \$1,879,493 in property tax for fiscal year 2022 compared to \$1,720,358 in 2021. Levies are expressed in dollars and cents per \$100 of valuation. The 2021 tax year levies

**CITY OF ALLIANCE, NEBRASKA
MANAGEMENT'S DISCUSSION AND ANALYSIS, Continued
For The Year Ended September 30, 2022**

were collected in the City's Fiscal Year 2022. The following table shows the levies and valuations for the past ten years:

	<u>City</u>	<u>MFO</u>	<u>Public Safety</u>	<u>Airport</u>	<u>Airport Sinking</u>	<u>Total Levy</u>	<u>Assessed Valuation</u>
2012	.27273	.03395	.03000	.03711	.00600	.37979	\$ 376,786,766

2016	.26617	.03395	-	.05898	.01229	.37139	\$ 438,650,352
2017	.26880	.03395	-	.05950	.01239	.37464	\$ 443,537,145
2018	.23704	.03395	-	.05326	.01109	.33534	\$ 505,420,246
2019	.22848	.03395	-	.05157	.01074	.32474	\$ 521,910,994
2020	.22584	.03395	-	.05106	.01063	.32148	\$ 527,217,168
2021	.21958	.06395	-	.04995	.01040	.34388	\$ 538,866,847

The Nebraska Legislature allows for cities to levy property taxes up to a maximum of forty-five cents. Because the citizens of Alliance approved a local sales tax, the City has been able to keep its levy well below the maximum limit.

Business-type activities. Business-type activities increased the City of Alliance's net position by \$2,047,665. Key elements of this increase are as follows:

Expenses and Program Revenues - Business-type Activities

<u>Function</u>	<u>Year Ended September 30, 2022</u>		<u>Year Ended September 30, 2021</u>	
	<u>Program Revenues</u>	<u>Program Expenses</u>	<u>Program Revenues</u>	<u>Program Expenses</u>

CITY OF ALLIANCE, NEBRASKA
MANAGEMENT'S DISCUSSION AND ANALYSIS, Continued
For The Year Ended September 30, 2022

The largest source of receipts for the City is user fees in the Utility Departments. The Utility Departments transferred \$2,110,700 in revenues to the operations of the governmental funds.

Financial Analysis of the Government's Funds

As noted earlier, the City of Alliance uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds. The focus of the City of Alliance's *governmental* funds is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the City of Alliance's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the City of Alliance's governmental funds reported combined ending fund balances of \$12,167,451. Approximately 27.0 percent of this total amount (\$3,289,488) constitutes *unassigned fund balance*, which is available for spending at the government's discretion. The remainder of fund balances is not available for new spending because it has already been 1) restricted to pay debt service (\$199,350), 2) restricted for street improvements (\$2,699,620), 3) restricted for Federal programs (\$1,459,334), 4) restricted to fund capital projects (\$820,804), 5) restricted for economic development (\$1,676,307), 6) restricted for maintenance expenses (\$14,020), 7) restricted for tourism promotion (\$478,991), 8) restricted for community betterment (\$75,105), 9) endowed as nonspendable for cemetery perpetual care (\$481,481), 10) restricted for museum projects (\$14,699), 11) restricted for general tax support (\$346,366), 12) assigned for budgetary stabilization (\$297,300), 13) assigned for ACE projects (\$115,921), 14) assigned for nuisance clean up (\$50,000), 15) assigned for public transit (\$51,668), or 16) assigned for golf course operations (\$96,997).

The General Fund is the chief operating fund of the City of Alliance. At the end of the current fiscal year, the General Fund's unassigned fund balance was \$3,554,543 and total fund balance was \$3,967,764. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 49.4 percent of total General Fund expenditures, while total fund balance was 55.1 percent of total General Fund expenditures.

The fund balance of the City of Alliance's General Fund increased by \$174,924 during the current fiscal year.

Proprietary funds. The City of Alliance's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

Unrestricted net position of the proprietary funds at the end of the year were as follows: Electric Fund – \$14,073,391, Water Fund – \$2,201,102, Sewer Fund – \$388,738, and Refuse Fund – \$609,357. The change in net position for the proprietary funds was as follows: Electric Fund – increase of \$1,926,799, Water Fund – increase of \$97,590, Sewer Fund – decrease of \$(75,147), and Refuse Fund – increase of \$98,423. Other factors concerning the finances of these four

funds have already been addressed in the discussion of the City of Alliance’s business-type activities.

Budgetary Highlights

There was no difference between the original budget and the final adopted budget for the City of Alliance.

Capital Asset and Debt Administration

Capital Assets. The City of Alliance’s investment in capital assets for its governmental and business-type activities as of September 30, 2022, amounts to \$67,068,181 (net of accumulated depreciation). This investment in capital assets includes land, construction in progress, building and system improvements, machinery and equipment, park facilities, roads, highways, and bridges.

Major capital asset events during the current fiscal year included the following:

- Construction in progress on airport runway project - \$258,265
- 2022 John Deere 1575 mower for cemetery - \$44,850
- Sable System fire training structure - \$284,971
- 2021 New Holland Boomer tractor for golf course - \$34,460
- Construction in progress on library HVAC project - \$99,549
- Central Park tennis court improvements - \$307,370
- Central Park tennis LED lighting - \$120,316
- Softball fields A & C improvements - \$157,531
- Construction in progress on halo mesh with surveillance cameras for police - \$233,451
- Rekor license plate recognition system - \$41,700
- Police data analytics dashboard and software - \$50,000
- Motorola dispatch consoles for police - \$104,250
- Four-station Intrado Viper police communications system - \$60,389
- 2022 asphalt projects - \$1,116,947
- CR 53 & Rock Road 3-phase rebuild project - \$49,228
- 6181 Valley Road 3-phase rebuild project - \$31,447
- CR 63 & Sarpy Road 3-phase rebuild project - \$43,273
- Public works annex building - \$622,365
- 2022 Ford F550 bucket truck for electric - \$179,207
- 2021 Ford F150 extended cab pickup for electric - \$35,411
- 2022 trash container replacement - \$118,123
- 2020 Freightliner with Emco body for refuse collection - \$216,470
- Custom baler inlet ram scraper - \$49,356
- Landfill baler conveyor belt project - \$119,324
- Sewer lift station - \$255,222
- 2021 Ford F150 extended cab pickup for water - \$35,411

The City of Alliance's total debt increased by \$3,312,880 (135.0 percent) during the current fiscal year, as \$3,200,000 of Series 2022 Highway Allocation Bonds were issued for street projects and \$515,000 of equipment financing debt was issued by the Refuse Fund.

Additional information on the City of Alliance's long-term debt can be found in Note C6 on pages 53-55 of this report.

CITY OF ALLIANCE, NEBRASKA
MANAGEMENT'S DISCUSSION AND ANALYSIS, Continued
For The Year Ended September 30, 2022

Economic Factors and Next Year's Budgets and Rates

Recent business and commercial investments will be added to the tax rolls when the projects are completed, including:

- Buyers from outside the area are buying housing units, raising valuations and rents.
- A new extended stay apartment/mall building is in early construction phase.
- Westco tire shop will move to the northwest entry to the City after destruction by fire in 2022.

The low unemployment and COVID pandemic continue to make it difficult for businesses to find adequate staff to remain full service. Major employer BNSF Railway will be impacted by Federal policies and mandates regarding coal. BNSF Railway and Parker continue hiring activity. The farm and ranch economy has improved, but continues to be challenged. Tax revenues continue to be strong, in spite of the limited local retail, declining population, and drought conditions.

The City's taxable property valuation grew by \$31,690,397 (5.9 percent) to an all-time high in 2022 as a result of the continued building activity and additional adjustments of the City valuations. The property tax request for the year ending September 30, 2023 is \$1,890,013, an increase of \$36,966 (2.0 percent) over the prior year.

Effective February 1, 2023, a two percent retail business occupation tax will be imposed on retail business in the enhanced employment area (currently Holiday Inn Express, Runza, and 385 Apartments, LLC).

Electric, water, sewer, and refuse rates were increased 1.0 percent October 1, 2022.

Request for Information

This financial report is designed to provide a general overview of the City of Alliance's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the City Manager or Finance Director, City of Alliance, P.O. Box D, Alliance, NE 69301.

CITY OF ALLIANCE, NEBRASKA

RECONCILIATION OF THE BALANCE SHEET -
GOVERNMENTAL FUNDS
TO THE STATEMENT OF NET POSITION

September 30, 2022

Total fund balances - governmental funds		\$ 12,167,451
Amounts reported for <i>governmental activities</i> in the statement of net position are different because:		
Capital assets used in governmental activities are not financial resources and therefore are not reported as assets in governmental funds. The cost of the assets is \$85,833,112 and the accumulated depreciation is \$44,123,478.		
		41,709,634
Internal service funds are used by management to charge the costs of employee health insurance to individual funds. The assets and liabilities of the internal service funds are included in governmental activities in the statement of net position.		
		2,454,738
Long-term liabilities, including notes payable, are not due and payable in the current period and therefore are not reported as liabilities in the funds. Long-term liabilities at year end consist of:		
Noncurrent compensated absences	\$ (216,948)	
Long-term notes payable	<u>(3,477,829)</u>	<u>(3,694,777)</u>
Total net position - governmental activities		<u><u>\$ 52,637,046</u></u>

See notes to financial statements.

CITY OF ALLIANCE, NEBRASKA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES - GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES

For the year ended September 30, 2022

Total net change in fund balances - governmental funds	\$ 3,144,101
Amounts reported for <i>governmental activities</i> in the statement of activities are different because:	
Capital outlays are reported in governmental funds as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capitalized capital outlay (\$3,214,780) exceeded depreciation expense (\$3,045,460) during the period. A portion of capital asset additions (\$43,437) were paid for by the Internal Service Fund.	169,320
Losses on the disposal of capital assets are not recognized in the governmental fund statements. However, losses on disposal of capital assets are recognized in the statement of activities.	(140,233)
Internal service funds are used by management to charge the costs of employee insurance and post-employment benefits to individual funds. The net revenue (expense) of the internal service fund is reported with governmental activities in the statement of activities.	122,171
The change in noncurrent compensated absences is reported as an expense in the statement of activities. Noncurrent compensated absences are not reported in the governmental funds.	(20,636)
Bond proceeds are reported as revenue in the governmental funds, but the loan proceeds increase long-term liabilities in the statement of net position.	(3,200,000)
Repayment of loan principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.	52,000
Change in net position of governmental activities	\$ 126,723

See notes to financial statements.

CITY OF ALLIANCE, NEBRASKA
NOTES TO FINANCIAL STATEMENTS

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the City of Alliance, Nebraska (City) are prepared in accordance with generally accepted accounting principles (GAAP). The City’s reporting entity applies all relevant Governmental Accounting Standards Board (GASB) pronouncements.

The accounting and reporting framework and the more significant accounting principles and practices are discussed in subsequent sections of this Note.

1. Financial Reporting Entity

The City of Alliance, Nebraska, was incorporated in 1888. The City operates under a Mayor-Council form of government. The City Council is composed of five members elected at large by the citizens. The Council members elect the Mayor from their membership. The administration of the City government is performed under the direction of the Mayor by the City Manager. Services provided to residents include public safety; highways and streets; planning and zoning; parks; recreation; development; electric, water, and sanitary sewer systems; landfill; and general administrative services.

The City’s financial reporting entity comprises the following:

Primary Government:	City of Alliance
Discretely Presented Component Units:	None

In determining the financial reporting entity, the City complies with the provisions of GASB Statement No. 61, and has addressed all potential component units (traditionally separate reporting entities) for which the City may be financially accountable, and, as such, should be included within the City’s financial statements. The City (the primary government) is financially accountable if it appoints a voting majority of the organization’s governing board and (1) it is able to impose its will on the organization or (2) there is a potential for the organization to provide specific financial benefits to or impose specific financial burdens on the City. Additionally, the primary government is required to consider other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity’s financial statements to be misleading.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

1. Financial Reporting Entity, continued

Blended Component Units

Blended component units are separate legal entities that meet the component unit criteria described above and whose governing body is the same or substantially the same as the City Council or the component unit provides services entirely to the City. These component units' funds are blended into those of the City by appropriate activity type to compose the primary government presentation. Currently, the City has no blended component units.

Discretely Presented Component Units

Discretely presented component units are separate legal entities that meet the component unit criteria described above but do not meet the criteria for blending. The City has no discretely presented component units.

2. Basis of Presentation

Government-wide Financial Statements

The Statement of Net Position and Statement of Activities display information about the reporting government as a whole. They include all funds of the reporting entity except for fiduciary funds. The statements distinguish between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange revenues. Business-type activities are financed in whole or in part by fees charged to external parties for goods or services.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

2. Basis of Presentation, continued

Fund Financial Statements

Fund financial statements of the reporting entity are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts that constitute its assets, liabilities, fund equity, revenues and expenditures/expenses. Funds are organized into two major categories: governmental and proprietary. An emphasis is placed on major funds within the governmental and proprietary categories. A fund is considered major if it is the primary operating fund of the City or meets the following criteria:

- a. Total assets, liabilities, revenues or expenditures/expenses of that individual governmental or enterprise fund are at least 10 percent of the corresponding total for all funds of that category or type; and
- b. Total assets, liabilities, revenues or expenditures/expenses of the individual governmental fund or enterprise fund are at least five percent of the corresponding total for all governmental and enterprise funds combined.

The funds of the financial reporting entity are described below:

Governmental Funds

General Fund

The General Fund is the primary operating fund of the City and always classified as a major fund. It is used to account for all activities except those legally or administratively required to be accounted for in other funds.

Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for certain purposes.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

2. Basis of Presentation, continued

Governmental Funds, continued

Capital Projects Funds

Capital Projects Funds are used to account for resources restricted for the acquisition or construction of specific capital projects. The reporting entity includes one Capital Projects Fund to account for the acquisition of capital assets with transfers made from Governmental Funds and another to account for the special assessments.

Debt Service Fund

The Debt Service Fund accounts for the accumulation of financial resources for the payment of interest and principal on the general long-term debt of the City other than debt service payments made by enterprise funds. Ad valorem taxes are used for the payment of principal and interest on the City's general obligation bonds.

Permanent Fund

The Permanent Fund is used to account for assets held by the City pursuant to a trust agreement. The principal portion of the fund must remain intact, but the earnings may be used to achieve the objectives of the fund.

Proprietary Funds

Enterprise Funds

Enterprise funds are used to account for business-like activities provided to the general public. These activities are financed primarily by user charges and the measurement of financial activity focuses on net income measurement similar to the private sector.

Internal Service Funds

The Internal Service Funds account for activities that provide goods and services to other funds, departments or agencies of the primary government and its component units on a cost-reimbursement basis.

Major and Nonmajor Funds

The funds are further classified as major or nonmajor as follows:

<u>Fund</u>	<u>Brief Description</u>
<i>Major:</i>	
Governmental:	
General	See page 29 for description.
Street	The Street Fund is a special revenue fund that accounts for revenues and expenditures for the maintenance, construction, and improvements of the streets and alleys of the City.
Sales Tax	The Sales Tax Fund is a special revenue fund that accounts for local sales tax collected.
Debt Service	See page 30 for description.
Redevelopment	Accounts for tax increment financing to encourage and promote building and redevelopment in substandard and blighted areas.
Airport	Accounts for airport operations and capital improvements.
Proprietary:	
Enterprise:	
Electric, Water, Sewer, and Refuse	See page 30 for description.

Airport Sinking	Accounts for property taxes levied to pay principal and interest obligations of the airport.
Marketing	Accounts for hotel occupation tax used for marketing the city.
Museum Exhibit	Accounts for contributions for museum exhibits.
Nuisance Cleanup	Accounts for nuisance cleanup costs.
Golf	Accounts for golf course operations and capital improvements.
Public Transit	Accounts for public transit operations.
ARPA	Accounts for Federal ARPA grant.
Permanent Fund:	
Cemetery Perpetual Care	Accounts for assets held for generation of income to support cemetery perpetual care.
Capital Projects Fund:	See page 30 for description.
Internal Service:	
Insurance	Accounts for the City’s self-insurance for health insurance premiums and claims administration.
Administration	Accounts for governmental administration costs.
Enterprise	Accounts for enterprise customer service, meter reading and warehouse costs.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

3. Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe “which” transactions are recorded within the various financial statements. Basis of accounting refers to “when” transactions are recorded regardless of the measurement focus applied.

Measurement Focus

On the government-wide Statement of Net Position and the Statement of Activities, both governmental and business-like activities are presented using the economic resources measurement focus as defined in item b, below.

In the fund financial statements, the “current financial resources” measurement focus or the “economic resources” measurement focus is used as appropriate:

- a. All governmental funds utilize a “current financial resources” measurement focus. Only current financial assets and liabilities are generally included on their balance sheets. Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period.
- b. The proprietary funds utilize an “economic resources” measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets and liabilities (whether current or noncurrent) associated with their activities are reported. Proprietary fund equity is classified as net position.

Basis of Accounting

In the government-wide Statement of Net Position and Statement of Activities, governmental and business-like activities are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset is used. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

3. Measurement Focus and Basis of Accounting, continued

Basis of Accounting, continued

In the fund financial statements, governmental funds are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when “measurable and available.” Measurable means knowing or being able to reasonably estimate the amount. Available means collectible within the current period or within 60 days after year end. Expenditures (including capital outlay) are recorded when the related fund liability is incurred.

All proprietary funds utilize the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or the economic asset is used.

4. Assets, Liabilities, and Equity

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Investments

For the purposes of the Statement of Net Position, “cash and cash equivalents” include all demand accounts and savings accounts. For the purposes of the proprietary fund Statement of Cash Flows, “cash and cash equivalents” include all cash on hand, demand accounts, savings accounts and equity in pooled cash which has an original maturity of three months or less. The County Treasurer’s cash represents revenues collected not yet remitted to the City.

Investments are carried at fair value. Fair value is based on quoted market price. Additional cash and investment disclosures are presented in Notes B2, C1, and D2.

When both restricted and unrestricted resources are available for use, it is the City’s policy to use restricted resources first, then unrestricted resources as they are needed.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

4. Assets, Liabilities, and Equity, continued

Receivables

In the government-wide statements, receivables consist of all revenues earned at year end and not yet received. Allowances for uncollectible accounts receivable are based upon historical trends and the periodic aging of accounts receivable. Major receivable balances for the governmental activities include special assessments, sales tax, and property taxes. Business-type activities report utility billings and unbilled revenue as their major receivables.

In the fund financial statements, receivables in governmental funds include revenue accruals such as special assessments and property taxes since they are usually both measurable and available. Proprietary fund receivables consist of all revenues earned at year end and not yet received. Utility accounts receivable and unbilled revenue compose the majority of proprietary fund receivables. Allowances for uncollectible accounts receivable are based upon historical trends and the periodic aging of accounts receivable.

Due from Other Governments

The total due from other governments consists of the following:

<u>Fund</u>	<u>Amount</u>	<u>Type of Revenue</u>
General	\$ 39,639	Federal Grants
Street	91,829	Highway Allocation
Street	20,249	Motor Vehicle Fees
Sales Tax	411,156	Sales Tax
Airport	231,996	Federal Grant
RSVP	1,923	Federal Grant
Public Transit	<u>88,068</u>	Federal/State Grant
	<u>\$ 884,860</u>	

Inventory

All inventories are valued at cost using the average cost method.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

4. Assets, Liabilities, and Equity, continued

Restricted Assets

Restricted assets include cash and investments that are legally restricted as to their use. The primary restricted assets are related to debt service and proceeds of specific revenue sources that are legally restricted to expenditures for certain purposes.

Capital Assets

The accounting treatment over property, plant, and equipment (capital assets) depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the government-wide or fund financial statements.

Government-wide Statements

In the government-wide financial statements, capital assets that are purchased or acquired with an original cost of \$5,000 or more are capitalized and reported on the Statement of Net Position. Capital assets are valued at historical cost or estimated historical cost if actual is unavailable, except for donated capital assets, which are recorded at their estimated fair value at the date of donation. The City has elected the depreciation approach for reporting infrastructure.

Depreciation of general capital assets and all proprietary capital assets is recorded as an allocated expense in the Statement of Activities, with accumulated depreciation reflected in the Statement of Net Position. Depreciation is provided over the assets' estimated useful lives using the straight-line method of depreciation. The ranges of estimated useful lives by type of asset are as follows:

Buildings	20-50 years
Improvements	10-20 years
Machinery and Equipment	5-10 years
Utility System	30-50 years
Infrastructure	10-50 years

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

4. Assets, Liabilities, and Equity, continued

Capital Assets, continued

Government-wide Statements, continued

Prior to July 1, 1980, governmental funds' infrastructure assets were not capitalized. These assets (back to July 1, 1980) have been valued at estimated historical cost. The cost of normal maintenance, preservation, and repairs that do not add to the value of the assets or materially extend the assets' lives are not capitalized.

Fund Financial Statements

In the fund financial statements, capital assets used in governmental fund operations are accounted for as capital outlay expenditures of the governmental fund upon acquisition. Capital assets used in proprietary fund operations are accounted for the same as in the government-wide statements.

Unavailable Assessments

Unavailable assessments consist of special assessments expected to be collected after 60 days.

Compensated Absences

The City's policies regarding vacation time permit employees to accumulate earned but unused vacation leave. A portion of the liability for these compensated absences is recorded as long-term debt in the government-wide statements. The current portion of this obligation is estimated based on historical trends. In the fund financial statements, governmental funds report only the current compensated absence liability payable from expendable available financial resources, while the proprietary funds report the total liability.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

4. Assets, Liabilities, and Equity, continued

Long-term Debt

The accounting treatment of long-term debt depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the government-wide or fund financial statements.

Government-wide Statements

All long-term debt to be repaid from governmental and business-type resources is reported as liabilities in the government-wide statements. The long-term debt consists primarily of notes payable and accrued compensated absences.

Fund Financial Statements

Long-term debt for governmental funds is not reported as liabilities in the fund financial statements. The debt proceeds are reported as other financing sources and payment of principal and interest reported as expenditures. The accounting for proprietary funds is the same in the fund financial statements as it is in the government-wide statements.

Equity Classifications

Government-wide Statements

Equity is classified as net position and displayed in three components:

- a. Net investment in capital assets – Consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. Restricted net position – Consists of net position with constraints placed on their use either by (1) external groups such as creditors, grantors, contributors or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

4. Assets, Liabilities, and Equity, continued

Equity Classifications, continued

Government-wide Statements, continued

- c. Unrestricted net position – All other net position that do not meet the definition of “restricted” or “net investment in capital assets.”

Fund Financial Statements

Governmental fund equity is classified as fund balance. Proprietary fund equity is classified the same as in the government-wide statements.

Effective October 1, 2010, the City adopted GASB Statement No. 54, which redefined how fund balances of the governmental funds are presented in the financial statements. Fund balances are classified as follows:

Nonspendable—Amounts that cannot be spent either because they are not in a spendable form or because they are legally or contractually required to be maintained intact.

Restricted—Amounts that can be spent only for specific purposes because of the City Charter, City Code, state or federal laws or externally imposed conditions by grantors or creditors.

Committed—Amounts that can be used only for specific purposes determined by a formal action by City Council ordinance or resolution.

Assigned—Amounts that are designated by the Mayor for a specific purpose but are not spendable until a budget ordinance is passed by the City Council.

Unassigned—All amounts not included in other spendable classifications.

The details of the fund balances are included in the Governmental Funds Balance Sheet (page 18). Restricted funds are used first as appropriate. Assigned Funds are reduced to the extent that expenditure authority has been budgeted by the City Council or the Assignment has been changed by the Mayor. Decreases to fund balance first reduce Unassigned Fund balance; in the event that Unassigned Fund Balance becomes zero, then Assigned and Committed Fund Balances are used in that order.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

5. Revenues, Expenditures, and Expenses

Sales and Use Tax

The City presently levies a 1 1/2-cent sales tax on taxable sales within the City. The sales tax is collected by the Nebraska Department of Revenue and remitted to the City in the month following receipt. The Nebraska Department of Revenue receives the sales tax approximately one month after collection by vendors. The sales tax is used for property tax relief, economic development, and capital improvements. As of October 1, 2006, sales tax collected on the sale of motor vehicles is recorded in the Street Fund as required by LB904.

Sales taxes collected by the State which represent sales for August and September and received by the City in October and November have been accrued and are included under the caption “Due from other governments.”

Property Taxes

The City has the power to levy taxes each year sufficient to pay any judgment existing against the City, the interest on bonded debt, and the principal on bonded debt maturing during the fiscal year or within six months thereafter, as well as taxes authorized by state law.

The tax levies for all political subdivisions in Box Butte County are certified by the County Board on or before October 15. Real estate taxes are due on December 31 and attach as an enforceable lien and become delinquent in two equal installments on May 1 and September 1. Personal property taxes are due in the same manner as real estate taxes. Delinquent taxes bear 14 percent interest.

Property taxes levied for 2021-2022 are recorded as revenue when expected to be collected within 60 days after September 30, 2022. Prior-year levies were recorded using these same principles, and remaining receivables are re-evaluated annually.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

5. Revenues, Expenditures, and Expenses, continued

Operating Revenues and Expenses

Operating revenues and expenses for proprietary funds are those that result from providing services and producing and delivering goods and/or services. They also include all revenue and expenses not related to capital and related financing, noncapital financing, or investing activities.

Expenditures/Expenses

In the government-wide financial statements, expenses are classified by function for both governmental and business-type activities.

In the fund financial statements, expenditures are classified as follows:

Governmental Funds – by Character and Function

Proprietary Fund – by Operating and Nonoperating

In the fund financial statements, governmental funds report expenditures of financial resources. Proprietary funds report expenses relating to the use of economic resources.

Interfund Transfers

Permanent reallocation of resources between funds of the reporting entity is classified as transfers. For the purposes of the Statement of Activities, all interfund transfers between individual governmental funds have been eliminated.

NOTE B – STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

By its nature as a local government unit, the City and its component units are subject to various federal, state, and local laws and contractual regulations. An analysis of the City's compliance with significant laws and regulations and demonstration of its stewardship over City resources follows:

1. Fund Accounting Requirements

The City complies with all state and local laws and regulations requiring the use of separate funds. The legally required funds used by the City include: Special Revenue, Capital Projects, Debt Service and Permanent Funds.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE B – STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY, continued

2. Deposit Laws and Regulations

Custodial credit risk is the risk that, in the event of a bank failure, a government's deposits may not be returned to it. The City's deposit policy for custodial credit risk requires compliance with the provisions of state law.

State law requires collateralization of all deposits with federal depository insurance or with U.S. Treasury and U.S. agency securities having an aggregate value at least equal to the amount of the deposits. The City's demand deposits are insured up to \$250,000 and certificates of deposit/savings accounts are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). Any cash deposits or certificates of deposit in excess of the FDIC limits are insured by collateral held by the pledging institution in the City's name.

3. Revenue Restrictions

The City has various restrictions placed over certain revenue sources from state or local requirements. The primary restricted revenue sources are described in Note A2 for the various funds.

4. Debt Restrictions and Covenants

Bonds Payable

The various bond ordinances relating to the bonds payable contain some restrictions or covenants that are financial-related. These include covenants such as debt service coverage requirements and required reserve account balances. The City is in compliance with the bond restrictions and covenants.

5. Budgetary Data

The City is required by state laws to adopt annual budgets for all fund types. Each budget is presented on the cash basis of accounting, which is consistent with the requirements of the state budget act.

The Nebraska Budget Act provides the prescribed budget practices and procedures that governing bodies are required to follow. The amounts that may be budgeted for certain specific funds are subject to various expenditure and/or tax levy limitations.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE B – STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY, continued

5. Budgetary Data, continued

The City follows these procedures in establishing the budgetary data reflected in the accompanying financial statements.

- a. On or before August 1, the City prepares a budget for the fiscal year commencing October 1. The budget includes proposed expenditures and resources available.
- b. The budget is published with subsequent public hearings to obtain taxpayer comments.
- c. Prior to September 30, the City Council adopts the budget, which is then filed with the appropriate state and county officials.
- d. Total expenditures may not legally exceed total appropriations. Appropriations lapse at year end and any revisions require board approval.
- e. The County Clerk certifies a preliminary property tax levy for each fund of the City which levied property taxes in the county the previous year based on the combined valuation and amount required for the City the prior year. The preliminary levy becomes the final levy unless the governing board passes, by a majority vote, a resolution setting the levy at a different amount.
- f. The property tax requirements resulting from the budget process are utilized by the County Assessor to establish the tax levy. Taxes are levied annually on or before October 15. Real property taxes and personal property taxes are due December 31 with the first half delinquent May 1 and the second half delinquent September 1.
- g. Appropriations lapse at the end of the fiscal year, except for capital improvement appropriations and certain encumbrances against operating budgets.
- h. The City of Alliance adopts a budget by ordinance for all fund types.

NOTE C – DETAIL NOTES ON TRANSACTION CLASSES/ACCOUNTS

The following notes present detail information to support the amounts reported in the basic financial statements for its various assets, liabilities, equity, revenues and expenditures/expenses.

1. Cash and Certificates of Deposit

Deposits

The City’s policies regarding deposits of cash are discussed in Note A4. The table presented below is designed to disclose how its deposits were insured or secured with collateral at September 30, 2022. The categories of collateral are defined as follows:

Category 1 – Insured by FDIC or collateralized with securities held by the City (or public trust) or by its agent in its name.

Category 2 – Uninsured but collateralized with securities held by the pledging financial institution’s trust department or agent in the City’s name.

Category 3 – Uninsured and uncollateralized; or collateralized with securities held by the pledging financial institution, or by its trust department or agent, but not in the City’s name; or collateralized with no written or approved collateral agreement.

<u>Types of Deposits</u>	<u>Total Bank Balance</u>	<u>Category 1</u>	<u>Category 2</u>	<u>Category 3</u>	<u>Total Carrying Value</u>
Demand deposits and certificates of deposit	\$ 32,252,249	\$ 2,435,667	\$ 29,816,582	\$ -	\$ <u>31,627,269</u>

Reconciliation to Government-wide Statement of Net Position:

Unrestricted cash and cash equivalents	\$ 21,517,896
Restricted cash and cash equivalents	7,938,155
Restricted certificates of deposit	<u>2,171,218</u>
	\$ <u>31,627,269</u>

CITY OF ALLIANCE, NEBRASKA

5. Accounts Payable

Payables in the general, capital projects, other governmental, and proprietary funds are primarily composed of payables to vendors.

6. Long-term Debt

The reporting entity’s long-term debt is segregated between the amounts to be repaid from governmental activities and amounts to be repaid from business-type activities.

Changes in Long-term Debt

The following is a summary of changes in long-term debt for the year ended September 30, 2022:

<u>Type of Debt</u>	Balance October 1, <u>2021</u>	<u>Additions</u>	<u>Deductions</u>	Balance September 30, <u>2022</u>	Amounts Due Within <u>One Year</u>
Governmental Activities:					
Note and bond payable	\$ 329,829	\$ 3,200,000	\$ (52,000)	\$ 3,477,829	\$ 248,000
Business-type Activities:					
Notes and bond payable	\$ 2,125,000	\$ 515,000	\$ (350,120)	\$ 2,289,880	\$ 411,155

Governmental Activities

As of September 30, 2022, the governmental long-term liabilities consisted of the following:

Series 2022 Highway Allocation bonds issued January 25, 2022, with original principal balance of \$3,200,000, bearing interest of 1.75 percent due semi-annually on June 15 and December 15, with annual principal payments through December 15, 2036. \$ 3,200,000

Airport note payable with First National Bank, with original principal balance of \$525,000. Interest is due semi-annually on April 15 and October 15 commencing October 15, 2017. Principal is due annually on April 15. The unsecured note bears interest of 2.35 percent and matures April 15, 2027. 277,829

Total	\$ <u>3,477,829</u>
Current Portion	\$ 248,000

September 30, 2022

NOTE D – OTHER NOTES

1. Employee Pension and Other Benefit Plans

City employees are covered by one of four retirement plans in effect, covering general city employees, firefighters, police officers and the City Manager, respectively.

General City Employees – General city employees are covered by a defined contribution plan. Under the terms of the plan, an employee must be age 19 or older and have completed six months of service. Participating employees are required to contribute three percent of their earnings, but not more than 13 percent of their earnings to the plan. The City is required to match contributions to the plan up to six percent. Employees are 100 percent vested in the plan after they complete seven years of service, reach normal retirement age (65), meet the requirements for early retirement date, become totally disabled, or die, whichever occurs first. The covered payroll was \$3,472,811 for the year ended September 30, 2022. Both the City and the covered employees' required contributions of \$104,184 and \$104,184, respectively, were made for the year ended September 30, 2022.

Firefighters – Firefighters are covered by a defined contribution plan. Eligible employees are required to contribute 6 ½ percent of their monthly salary to the plan, to which the City then contributes with 13 percent of the participant's monthly salary. Employees are fully vested after seven years of service. Normal retirement benefit becomes nonforfeitable. A participant's normal retirement age is the date he or she attains age 55 and completes 21 years of service. Nebraska state statutes govern the coverage afforded to participants under this plan. The covered payroll was \$286,747, with the City contributing \$37,277 and the employees contributing \$18,639 for the year ended September 30, 2022.

Police Officers – Under Nebraska statutes, the City is required to maintain a retirement plan for City policemen. The total contributions under this plan are deposited under a money purchase retirement plan. This plan requires that covered employees and the City contribute an amount equal to seven percent of the employee's monthly salary until such employee becomes eligible for regular retirement, at which time contributions shall cease. Total covered payroll was \$1,026,646. Both the City's contribution of \$71,865 and the matching employees' contributions of \$71,865 were made for the year ended September 30, 2022.

On January 1, 1984, the retirement systems for police officers and firefighters of first-class cities in the State of Nebraska were revised. The system that became effective was a defined contribution plan with the employees and the City each making annual contributions to the pension plans.

CITY OF ALLIANCE, NEBRASKA
NOTES TO FINANCIAL STATEMENTS, Continued
September 30, 2022

NOTE D – OTHER NOTES, continued

1. Employee Pension and Other Benefit Plans, continued

Police Officers, continued –

Police officers and firefighters who participated in the prior systems were assured of receiving retirement benefits under the new systems at least as great as those that would have been available under the prior systems, which were defined benefit plans. The City paid out its final defined benefit amount for the last remaining pre-84 hire during the year ended September 30, 2018, so there is no remaining pension liability for the pre-1984 pension obligation.

2. Risk Management

Insurance

The City is exposed to various risks of loss related to torts; thefts of, damage to, or destruction of assets; errors or omissions; injuries to employees; or acts of God. The City purchases commercial insurance and administers funds for its self-insured health insurance program. Insurance is maintained for the various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; dishonest employees; injuries to employees; and natural disasters. The City has not paid any amounts in excess of the coverage provided by insurance in the last three audit periods. The City is partially self-insured for health insurance claims up to \$50,000 of individual claims. The self-insurance program is administered within the Internal Service Fund. The City maintains outside insurance coverage through an insurance policy on claim amounts over \$50,000. The maximum out-of-pocket cost for employees ranges from \$5,400 to \$10,800 for family plans. The City pays \$10,200 annually per full-time employee.

Settled claims in the past three years have not exceeded the commercial coverages. The City has estimated unsubmitted claims on health insurance based on prior experience to be \$109,138; this amount represents two months of subsequent claims. The City also has accrued a \$31,346 reinsurance receivable as of September 30, 2022. These amounts have been included as current-year expenditures.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

NOTE D – OTHER NOTES, continued

2. Risk Management, continued

Deposits and Investments

Custodial Credit Risk. For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. All of the underlying securities for the City’s investments at September 30, 2022, are held by the counterparties not in the name of the City. The underlying securities consist of cash, direct obligations of or guaranteed by the full faith and credit of the U.S. Government, and other similar obligations of the U.S. Government or its agencies.

Interest Rate Risk. As a means of limiting its exposure to fair value losses arising from rising interest rates, the City’s investment policy requires that market conditions and investment securities be analyzed to determine the maximum yield to be obtained and to minimize the impact of rising interest rates. The investment maturities are as follows:

<u>Maturities by Month</u>	<u>Amount</u>
February 2023	\$ 1,173,628
March 2023	216,293
June 2023	<u>781,297</u>
	\$ <u>2,171,218</u>

Credit Risk. Credit risk is the risk that the issuer or other counterparty to an investment will not fulfill its obligations. The City’s investments consist of certificates of deposit, money market funds, and other securities backed by U.S. Government obligations, minimizing credit risk associated with the City’s investment portfolio.

CITY OF ALLIANCE, NEBRASKA

NOTES TO FINANCIAL STATEMENTS, Continued

September 30, 2022

NOTE D – OTHER NOTES, continued

2. Risk Management, continued

Deposits and Investments, continued

Concentration of Credit Risk. The City’s investment policy places no limit on the amount that may be invested in any one issuer. At September 30, 2022, the City’s investments in certificates of deposit consisted of the following:

<u>Financial Institution</u>	<u>Amount</u>
Nebraska Bank	\$ <u>2,171,218</u>

Foreign Currency Risk. This risk relates to adverse effects on the fair value of an investment from changes in exchange rates. The City’s investments had no exposure to foreign currency risk and held no investments denominated in foreign currency at September 30, 2022.

3. Commitments

Litigation

The City is party to various legal proceedings which normally occur in governmental operations. These legal proceedings are not likely to have a material adverse impact on the affected funds of the City.

Village of Hemingford	May 1, 2020	Utility Support Agreement

5. Landfill Closure and Postclosure Care Costs

State and federal laws and regulations require the City of Alliance to place a final cover on its landfill when closed and perform certain maintenance and monitoring functions at the landfill site for thirty years after closure. In addition to operating expenses related to current activities at the landfill, an expense provision and related liability are being recognized based on the future closure and postclosure care costs that will be incurred near or after the date the landfill no longer accepts waste. The recognition of these landfill closure and postclosure care costs is based on the amount of the landfill used during the year. The estimated liability for landfill closure is \$1,185,699, with postclosure care costs of \$690,783, for a total of \$1,876,482 as of September 30, 2022, which is based on 32.95 percent usage of the landfill, with a remaining estimated life of 104.80 years. The estimated liability for construction and demolition landfill closure is \$258,675, with postclosure care costs of \$51,655, for a total of \$310,330 as of September 30, 2022.

It is estimated that an additional \$2,337,730 and \$1,109,830, respectively, will be recognized as closure and postclosure care expenses between the date of the balance sheet and the date the landfill is expected to be filled to capacity. The estimated total current cost of the landfill closure and postclosure care of \$5,324,042 is based on the amount that would be paid if all equipment, facilities, and services required to close, monitor, and maintain the landfill were acquired as of September 30, 2022. However, the actual cost of closure and postclosure care may be higher due to inflation, changes in technology, or changes in landfill laws and regulations.

At September 30, 2022, restricted funds of \$2,333,226 are set aside to finance closure and postclosure care of the City’s landfill. It is anticipated that future inflation costs will be financed in part from earnings on funds reserved by the City. The remaining portion of anticipated future inflation costs (including inadequate earnings on investments, if any) and additional costs that might arise from changes in postclosure requirements (due to changes in technology or more rigorous environmental regulations, for example) may need to be covered by charges to future landfill users, taxpayers, or both.

NOTE D – OTHER NOTES, continued

6. Tax Abatements

The Community Development Agency (CDA), who is authorized by Nebraska Statutes to enter into property tax abatement agreements for the purpose of developing properties in blighted areas, has entered into tax increment financing (TIF) agreements with various redevelopers. The TIF program has the stated purpose of increasing valuation, business activity and employment in the community.

Under the TIF program, redevelopers can apply for TIF financing whereby the property tax they pay on the increased valuation of property under a TIF agreement is returned to the redeveloper by the CDA to finance the project for a period of up to 15 years.

Information relevant to the abatements granted by the CDA for the year ended September 30, 2022 is as follows:

<u>TIF Project</u>	<u>Years Remaining on TIF Agreements</u>	<u>TIF Proceeds Received during the year 9-30-2022</u>
Otto	3	\$ 4,302
Pepsi-Cola of Western Nebraska	4	60,804

7. Subsequent Events

Management has evaluated subsequent events through January 23, 2023, the date on which the financial statements were available for issue.

On October 4, 2022, Council approved a \$226,862 bid from Twin City Roofing & Sheet Metal for airport hail damage repairs.

On November 15, 2022, Council approved a two percent retail business occupation tax for retail sales in the enhanced employment area. This tax will be effective February 1, 2023.

On November 15, 2022, Council approved an \$88,730 contract with Motorola Solutions and a \$16,731 contract with Action Communications for 800 MHZ flash code and programming for enhanced radio capabilities. Alliance Rural Fire has agreed to pay 50 percent of the cost of this equipment.

7. Subsequent Events, continued

On November 15, 2022, Council approved payment of \$1,018,000 from the City to the Airport Fund to move land for the golf course and pasture land out of the airport layout plan.

On December 6, 2022, Council committed \$300,000 to housing development through Box Butte Development Corp to enable BBDC to apply for a \$600,000 Nebraska Department of Economic Development Rural Workforce Housing Development grant.

On December 6, 2022, Council approved the purchase of five used police vehicles from Eagle, Colorado for a total cost of \$50,000.

NOTE A - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant and loan activity of the City of Alliance, Nebraska, and is presented on the accrual basis. The information in this schedule is presented in accordance with the requirements of the Uniform Guidance. Therefore, some amounts presented in this schedule may differ from amounts presented in or used in the preparation of the basic financial statements.

The City has not elected to use the 10 percent de minimis cost rate.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Mayor and Members of the City Council
City of Alliance, Nebraska

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Alliance, Nebraska, as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City’s financial statements, and have issued our report thereon dated January 23, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Alliance’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City’s internal control. Accordingly, we do not express an opinion on the effectiveness of the City’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Grand Island, NE 68802
P 308-381-1810
F 308-381-4824
EMAIL cpa@gicpas.com

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and therefore material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as 2022-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Alliance's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

City of Alliance's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the City of Alliance's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Mayor and Members of the City Council
City of Alliance, Nebraska

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the City of Alliance, Nebraska’s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the City’s major federal programs for the year ended September 30, 2022. The City of Alliance, Nebraska’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

In our opinion, the City of Alliance, Nebraska complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City of Alliance, Nebraska and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City of Alliance, Nebraska’s compliance with the compliance requirements referred to above.

A PROFESSIONAL CORPORATION

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the City of Alliance, Nebraska's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City of Alliance, Nebraska's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City of Alliance, Nebraska's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City of Alliance, Nebraska's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the City of Alliance, Nebraska's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the City of Alliance, Nebraska's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

CITY OF ALLIANCE, NEBRASKA

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2022

1. A summary of auditor's results:

- (i) Unmodified opinions were issued on all opinion units of the City of Alliance, Nebraska, as of September 30, 2022.
- (ii) One significant deficiency disclosed during the audit of the financial statements is reported in the "Independent Auditor's Report on Compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*." The deficiency is not reported as a material weakness.
- (iii) The audit disclosed no instances of noncompliance which are material to the financial statements of the City of Alliance, Nebraska.
- (iv) The audit did not disclose any significant deficiencies in the internal control over major programs for the City of Alliance, Nebraska.
- (v) An unmodified opinion was issued on compliance for major programs.
- (vi) The audit did not disclose any audit findings which are required to be reported under 2 CFR section 200.516(a).
- (vii) Major Programs: AL #21.106 – Airport Improvement Program and COVID 19 – Airport Improvement Program and AL #16.034 – COVID 19 – Coronavirus Emergency Supplemental Funding.
- (viii) The dollar threshold used to distinguish between Type A and Type B programs was \$750,000.
- (ix) The City of Alliance, Nebraska, did not qualify as a low-risk auditee.

CITY OF ALLIANCE, NEBRASKA

SCHEDULE OF FINDINGS AND QUESTIONED COSTS, Continued

Year ended September 30, 2022

2. Findings relating to the financial statements which are required to be reported in accordance with GAGAS.

2022-001

Condition: There is not adequate segregation of duties.

Criteria: Adequate segregation of duties should be in place to ensure internal control over cash receipts, disbursements, and recording of transactions.

Cause: There are a limited number of accounting personnel.

Effect: Because of the lack of segregation, the same employees may participate in multiple facets of a transaction.

Recommendation: Management should remain aware of this lack of segregation and continue diligence in oversight and review of transactions.

Views of Responsible Officials and Planned Corrective Actions: It is impractical to further segregate duties due to the limited number of accounting personnel. However, management will continue to review/oversight of transactions.

3. Findings and questioned costs for Federal awards which shall include audit findings as defined in 2 CFR section 200.516(a).
