[RESOLUTION – PRELIMINARY PLAT OF KARELL ADDITION TO THE CITY OF ALLIANCE, BOX BUTTE COUNTY, NEBRASKA.]

The City of Alliance is in receipt of an application for a Preliminary Plat for the dedication of Karell Addition to the City of Alliance, Box Butte County, Nebraska.

The proposed addition is located at the southwest corner of West 6th Street and Ramblin Rd. The addition is bordered by Ag, Agriculture zoning to the west, R-4, Atypical Residential Housing and C-3 Heavy Commercial to the north, R-1a, Single Family Residential and C-3 Heavy Commercial to the east, and C-3 Heavy Commercial to the south. The zoning is not proposed to change as part of this subdivision.

The proposed lot is currently vacant. The proposed land use of Lot 3 is camper storage, Lot 2 is cold storage, and Lot 1 is storage. Lot 4s proposed land use is currently unknown. Camper storage will require a Conditional Use Permit. The proposed subdivision is bordered by single family homes to the north, agriculture to the west, a tree trimming and landscaping business to the south, storage units and vacant land to the east.

The plat creates a 20 foot wide utility easement along the east side of proposed Lots 1, 2, and 3 for water main extension. It is a general utility easement so other utilities may co-locate there. The plat will create a 20 foot wide alley between proposed Lots 1-3 and the land to the west (Lot 4). This is primarily to replace an easement for a sanitary sewer trunk main installed in 1968 and provide a secondary means of access to the lots. The alley dead ends at the south end of the proposed subdivision. The Planning Commission recommended adding a 40' x 40' cul-de-sac at the south end of the alley for a turn around and the developer was agreeable to that.

The subdivision is bordered by Nebraska State Highway 2 / US Highway 385 to the west, West 6th Street to the north, and Ramblin Road to the east. There are not any proposed streets but there is proposed an approximately 650 foot alley north and south through the subdivision. Highway 2 is a principal arterial and Ramblin Road has begun to function as a minor arterial since the construction of the W 10th Street overpass (Transportation Pg. 2). West 6th Street is not paved but it would provide access between Ramblin Rd. and Highway 2 and the north sides of Lots 4 and 3 if it were. Ramblin Rd. and Highway 2 would be able to accommodate additional traffic from development of the proposed commercial lots.

The City of Alliance Planning Commission met at its regular meeting December 10, 2024 and found that the preliminary plat was consistent with the goals in the Comprehensive Plan and met the minimum requirements of the Alliance Municipal Code. They voted yes on a recommendation to the Alliance City Council for the approval of Karell Addition to the City of Alliance, Box Butte County, Nebraska provided a 40' X 40' cul-de-sac be added at the south end of the alley, after making the following findings of fact:

-The subdivision would permit additional commercial development along Ramblin Road and Nebraska Highway 2.

January 7, 2025

- The commercial subdivision is consistent with the neighborhood identification in page LU 9 as commercial.
- The Preliminary Plat contains all components required by Section 107-23 of the Alliance Municipal Code.
- Transportation routes along the west and east lot lines would provide sufficient access to the proposed lots.
- The subdivision meets the minimum requirements of Section 109-51 C-3, Heavy Commercial District (zoning) of the Alliance Municipal Code.

Possible reasons not to approve the plat would be:

- The alley proposed to be dedicated is a dead end.
- West 6th Street is not paved.

RECOMMENDATION: THE APPROVAL OF THE PRELIMINARY PLAT OF KARELL ADDITION TO THE CITY OF ALLIANCE, BOX BUTTE COUNTY, NEBRASKA, PROVIDED THE 40' X 40' CUL-DE-SAC AT THE SOUTH END OF THE ALLEY BE INCLUDED ON THE FINAL PLAT.]

A motion was made by Councilman Turman, seconded by Councilman Liptack to approve the Resolution No. 25-06. Which follows in its entirety:

RESOLUTION NO. 25-06

BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF ALLIANCE, NEBRASKA:

WHEREAS, BE IT RESOLVED, the Preliminary Plat for Karell Addition, a 9.14 acre tract of land described as Part of the Southeast Quarter of the Northeast Quarter of Section 34 and Part of the Southwest Quarter of the Northwest Quarter of Section 35, Township 25 North, Range 48 West of the 6th Principal Meridian, Alliance, Box Butte County, Nebraska, is approved.

Roll call vote with the following results:

Voting Aye: Turman, Liptack, Weisgerber, Mashburn and McGhehey.

Voting Nay: None.

Motion carried.

- The next item on the agenda for Council was Resolution No. 25-07 which will accept and authorize the formation of the Volunteer Youth Alliance (VYA) Board and allocate \$5,000 from ACE Reserves. The following information was provided:

[RESOLUTION - VOLUNTEER YOUTH ALLIANCE FORMATION AND FUNDING

Volunteerism is a valuable community resource that is floundering in Alliance, as it is around the country. The proposed Volunteer Youth Alliance (VYA) would

January 7, 2025

promote this valued commodity among youth in Box Butte County while reinforcing the existing Retired and Senior Volunteer Program (RSVP).

The mission of Volunteer Youth Alliance is summarized by the five fundamental goals:

1. Engage youth in compatible volunteer service that is both rewarding and educational.
2. Encourage cross-generational and cross-cultural working relationships.
3. Improve overall scholastic performance and scholarship opportunities for youth.
4. Promote a lifetime ethic of leadership and volunteerism in future adults.
5. Enhance the community and the lives of its residents.

The by-laws (attached) have been reviewed by the City's legal counsel and would form VYA as an unincorporated association under the umbrella of the City of Alliance with leadership and direction from a diverse eleven-person board (primarily RSVP members) and including two student members. (Presently, there are eight adults and two students committed.) This group will be a valuable promoter of the youth program and will establish policy changes and oversee discipline issues.

Many of the volunteer opportunities will be working along RSVP volunteers in stations and tasks that are already established; however, there is the option to expand into new areas as the program attempts to place students in their areas of interest. There is also the possibility of having community-wide events (such as clean-ups, etc.) that will team the students with adult sponsors. Memorandums of understanding (MOUs) modeled after the RSVP form would be obtained for all stations where students are placed. The board will work cooperatively with station partners to recruit and place youth. This effort is aimed not only at the aspiring students, but also hopes to challenge marginalized youth.

The handbook (attached) is designed after another youth volunteer program and will serve as guidelines for the board and the youth involved in VYA. Youth who apply to be a part of the program will review the handbook as part of their initial orientation.

Funding for the program will be modest with future management of fund-raising by the board through the existing Friends of Box Butte County RSVP. It is proposed that the initial funding of up to \$5,000 be allocated from the ACE funds by action of the Council. This amount would cover the insurance provided through the same vendor as RSVP; management software for scheduling and tracking hours; shirts for volunteers and the first year recognition event.

ACTION: APPROVE THE FORMATION OF VOLUNTEER YOUTH ALLIANCE BY THE CITY OF ALLIANCE WITH INITIAL FUNDING FROM ACE RESERVES.]

January 7, 2025

A motion was made by Councilman Weisgerber, seconded by Turman to approve Resolution No. 25-07. Which follows in its entirety:

RESOLUTION NO. 25-07

WHEREAS, The City of Alliance operates the Retired and Senior Volunteer Program (RSVP); and

WHEREAS, Staff and Friends of Box Butte County RSVP are requesting the creation of the proposed Volunteer Youth Alliance Board (VYA); and

WHEREAS, The Volunteer Youth Alliance (VYA) would promote valued commodity among Youth in Box Butte County while reinforcing the existing Retired and Senior Volunteer Program (RSVP); and

WHEREAS, The VYA will work along with RSVP volunteers in already established stations and task, with the option to expand into new areas as the program grows; and

WHEREAS, The Friends of Box Butte County RSVP is requesting funding from the City of Alliance “ACE Program Funds” be allocated to the Volunteer Youth Alliance (VYA) in the amount of \$5,000 for the initial creation of the Board.

WHEREAS, The formation and intial funding of the Volunteer Youth Alliance (VYA) Board would bring valuable resources to the Community of Alliance with volunteerism;

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the City of Alliance, Nebraska, that the City of Alliance shall approve the formation of the Volunteer Youth Alliance (VYA) Board and allocate Five Thousand and 00/100s Dollars (\$5,000) from ACE Reserves.

Roll call vote with the following results:

Voting Aye: Weisgerber, Turman, Liptack, Mashburn and McGhehey.

Voting Nay: None.

Motion carried.

- Last matter before Council was Board Appointments

A motion was made by Vice Mayor Mashburn, seconded by Turman to appoint Dan Kinser to the Board of Adjustments with a term ending December 31, 2027, and Scott Deibler to the Golf Advisory Board with a term ending December 31, 2028.

January 7, 2025

Staff is requesting a \$3,600.00 transfer from CAPITAL OUTLAY – Mach, Equip (21-71-75-59-950) into the NRCNTSVC-Building Public Works (21-71-75-44-483) line item. This transfer is necessary to fund necessary gas line and golf maintenance shop HVAC repairs.

Staff is in the process of purchasing necessary spraying equipment from the capital outlay line item and anticipate there will be funds left over. For that reason, staff is recommending those excess funds be used for this unforeseen but necessary repair.

RECOMMENDATION: APPROVE TRANSFER OF \$3,600.00 FROM CAPITAL OUTLAY-MACH, EQUIP (21-71-75-59-970) NRCNTSVC-BUILDING PUBLIC WORKS (21-71-75-44-483).

RESOLUTION NO. 25-08

WHEREAS, The City of Alliance owns and operates the Skyview Golf Course;

WHEREAS, The gas line and golf maintain shop HVAC system repairs are necessary;
and

WHEREAS, A Council Contingency budget transfer in the amount of \$3,600 from CAPITAL OUTLAY – Mach, Equip # 21-71-75-59-950 to NRCNTSVC-Building # 21-71-75-44-483 is necessary to cover the repair costs needed for the gas line and golf maintain shop HVAC.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and City Council of Alliance, authorizes a budget transfer in the amount of Three Thousand Six Hundred and NO/100s Dollars (\$3,600) from CAPITAL OUTLAY – Mach, Equip # 21-71-75-59-950 to NRCNTSVC-Building # 21-71-75-44-483 to cover the repair costs needed for the gas line and golf maintain shop HVAC.

The Alliance Park Foundation would like to purchase and install plant identification tags in the Central Park Sunken Gardens. The signs will be 5" x 3" and will include both the scientific name and common name for each perennial. The tag will also include a QR code that individuals can scan with their phone to get additional photos and plant information.

When it was designed and installed, this garden was intended to highlight native, low maintenance, and drought tolerant plants for our region. We were hopeful that individuals would explore this garden and find plants that they would then plant in their gardens and opens spaces. Our hope was that seeing these beautiful plants used in a formal landscape would expand the use of more native and environmentally friendly plants in local landscapes.

Staff regularly receive calls from individuals regarding the variety of names for plants in these areas. Having this information easily available to all visitors will be invaluable to the goal of expanding the incorporation of native and drought tolerant plants in our community.

RECOMMENDATION: ACCEPT PLANT IDENTIFICATOIN DONATION

RESOLUTION NO. 25-09

WHEREAS, The City of Alliance owns and operates the Alliance City Central Park Sunken Gardens; and

WHEREAS, The Alliance Park Foundation Association has requested to donate plant identification tags including both scientific and common name for each perennial in the Central Park Sunken Gardens;

WHEREAS, The City Council believes it is in the best interest of the City of Alliance to accept the donation from the Alliance Park Foundation Association.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the City of Alliance, Nebraska, that the donation of plant identification tags of the Alliance City Park Fountain Association is hereby accepted by the City of Alliance.

PASSED AND APPROVED this 21st day of January, 2025.

RESOLUTION -

The Budget for Fiscal Year 2024-25 includes Interdepartmental Loans from the Electric Fund to the Airport Fund for a total amount of \$850,000 to pay for the City's matching portion of the Taxiway/Apron project, Runway Sealcoat project, Airport Layout Plan and to cover costs pending FAA reimbursement.

2024-25 Budgeted

Taxiway/Apron	\$ 741,200
Runway Seal Coat	\$1,004,200
Airport Layout Plan	\$ 400,000

RECOMMENDATION:

Approve Interdepartmental Loan of \$850,000 from Electric Fund to Airport Fund to pay the City's portion of the Capital expenditures and pending expenses before FAA reimbursement for the Taxiway/Apron Project, Runway Seal Coat Project, and Airport Layout Plan for Fiscal Year 2024-25.

RESOLUTION NO. 25-10

WHEREAS, The City of Alliance would like to utilize Electric Fund reserves to provide an interim loan to the Airport Fund to pay for the Airport Taxiway/Apron Project; and

WHEREAS, Interest at the rate of 5.15% will be paid for the funds being borrowed; and

WHEREAS, Loaning the money with interest will be in lieu of investing the reserve funds in a money market account; and

WHEREAS, Staff believes this is a viable option for financing the needed capital purchases within the Airport Fund providing the Electric Fund reasonable returns on reserves.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the City of Alliance, Nebraska, that the use of Electric Fund cash reserves may be used for an interim interdepartmental loan to the Airport Fund at the interest rate of 5.15% in an amount not to exceed \$850,000 for a period of 120 months (10 years).

BE IT FURTHER RESOLVED that budget authority is being transferred from the Electric Loan to Other Funds Account No. 05-51-50-38-864 to the Airport Loans from Other Funds Account No. 22-41-43-38-863.

ORDINANCE – RETIREMENT COMMITTEE

Request: Update Ordinance Governing Employee Representative Selection for Retirement Committees

The City of Alliance Municipal Code currently outlines the process by which employee representatives are selected for the General, Police, and Fire Retirement Committees. Under the existing system, the City Clerk is required to conduct a secret ballot election and certify the results to the City Council. However, no laws or policies mandate the use of a secret ballot for these elections.

The proposed change would allow the City Clerk to manage elections using a fair, transparent, and efficient method while maintaining integrity in the selection process. For example, the process could begin by soliciting volunteers to serve on the committee, followed by notifying the employee group being represented (General, Police, or Fire) and providing a timeframe for objections. The City Council will be updated with retirement committee membership changes.

Section (e) regarding compensation is also being updated to reflect statutory language in the Firefighters Retirement Plan to allow reimbursement for expenses under certain circumstances. This language was also incorporated into both the General and Police Ordinance. (Neb. Rev. Stat. 16-1035).

With the anticipated onboarding of a new Retirement Advisor in 2025, it is crucial for the Retirement Committees to be fully staffed and ready to fulfill their roles. Adopting this change would streamline the election process and help ensure vacant positions are filled promptly, enabling the committees to operate as intended.

RECOMMENDATION: APPROVE THE ORDINANCES REVISING THE PROCESS FOR SELECTING RETIREMENT COMMITTEE MEMBERS ON FIRST READING.

Ordinance No. 2994

AN ORDINANCE OF THE CITY OF ALLIANCE, NEBRASKA AMENDING ALLIANCE MUNICIPAL CODE SECTION 2-132 REGARDING THE GENERAL EMPLOYEE'S RETIREMENT COMMITTEE TO PROVIDE FOR THE CITY COUNCIL DESIGNEES TO BE THE CITY MANAGER AND CITY TREASURER, TO CHANGE THE METHOD OF ELECTION OF MEMBERS OF THE COMMITTEE FROM SECRET BALLOT TO A FAIR AND TRANSPARENT METHOD, TO CHANGE THE TERMS OF MEMBERS FROM THREE TO FOUR YEARS, AND TO PROVIDE FOR REIMBURSEMENT OF COMMITTEE MEMBERS FOR THEIR ACTUAL AND NECESSARY EXPENSES INCURRED IN CARRYING OUT THEIR DUTIES, SUBJECT TO CITY COUNCIL APPROVAL; REPEALING EXISTING PROVISIONS OF THE CITY CODE NOT CONSISTENT WITH THIS ORDINANCE; AND PROVIDING FOR AN EFFECTIVE DATE.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF ALLIANCE, NEBRASKA:

SECTION 1. Section 2-132 of the Alliance Municipal Code is amended to read as follows:

Sec. 2-132. - General employee's retirement committee.

(a) *General purpose.* There is established a general employees' retirement committee which shall supervise the general operation of the general employee's retirement system.

(b) *Members.* The retirement committee established shall consist of members from both the general city employees and designees of the city council. The committee shall consist of six members, of which four members shall be selected by general city employees, and shall not be from the same department. The employee representative must be a participant in the general employee's retirement fund. Administration shall be represented by the city manager and city treasurer. The plan administrator will be a non-voting member.

(c) *Elections.* Election of members shall be conducted by the city clerk in a fair and transparent method. The city clerk will inform the city council of retirement committee membership changes.

(d) *Term.* Employee members shall be appointed to four year terms. Vacancies shall be filled by a person with the same representation as his predecessor.

(e) *Compensation.* Members of the retirement committee shall receive no separate salary, but subject to approval by the city council, shall be reimbursed for their actual and necessary expenses incurred in carrying out their duties.

(f) *Duties.* The retirement committee shall be established to supervise the general operation of the plan; provided, however, the city shall be responsible for the general administration of the plan except for such specific administrative functions that are delegated, by ordinance or plan document, to the retirement committee. It shall be the duty of the retirement committee to:

(1) Provide each employee a summary of plan eligibility requirements and benefit provisions;

(2) Provide, within thirty days after a request is made by a participant, a statement describing the amount of benefits such participant is eligible to receive; and

(3) Make available for review an annual report of the retirement system's operations describing both the amount of contributions to the retirement system from both employee and employer sources and an identification of the total assets of the retirement system.

SECTION 2. All ordinances, parts of ordinances, resolutions, and policies of the City of Alliance in conflict with this ordinance are hereby repealed.

SECTION 3. This ordinance shall be in full force and effect from and after its approval, passage, and publication according to law.

RESOLUTION – AIRLINE RECOMMENDATION

The Department of Transportation solicited proposals from carriers to provide Essential Air Service at Alliance and/or Chadron on October 22, 2024. The current contract with Denver Air Connection expires on May 31, 2025 and a new contract period begins June 1, 2025. The Department of Transportation received seven proposals from four carriers:

- Denver Air Connection
- Boutique Air
- Contour Airlines
- SkyWest Airlines

In an effort to ensure a comprehensive evaluation during the airline selection process, a core group of ten individuals was assembled to analyze both airline proposals and Alliance community priorities. This group is a diverse collection of individuals selected to represent frequent flyers, small businesses, local industry, and leaders in our community. This group updated the priority list of criteria that was developed in 2015. The updated priority list consisted of the following seven categories with the top of the list being the highest priority:

1. Reliability/Overnight of aircraft
2. Schedule
3. Pricing
4. Simplicity (codeshare, ticket and baggage etc)
5. Communication or responsiveness of the airline
6. Baggage Space
7. Marketing/Tourism/Economic Impact

The airport's air service consultant, Mike Mooney, supplied a list of questions for each carrier, provided a proposal comparison and compared load factor data of all airlines. Alliance invited all airline carriers to come for a visit or meet via zoom meeting as a part of the evaluation process. Each carrier was given time to make a presentation and answer questions from the group.

Boutique Air is based in San Francisco, California. Boutique utilizes an eight-seat, modern, pressurized PC-12 aircraft. Boutique Air has offered the community two different bid options to consider. One bid with service to Denver hub similar to what was provided by them in the past. The other option would be a two-hub approach with service to Denver and Omaha. Boutique does have a ticket and baggage agreement with United. Boutique Air is not currently operating out of Denver. While the Omaha option is interesting, it does not outweigh the concern about Boutique's reliability, on-time performance, and baggage room constraints.

Denver Air Connection (DAC) is based in Englewood, Colorado. Denver Air Connection submitted three different bids for Alliance to consider. The first two choices will continue to fly a Metroliner-23, which is a 9-seat pressurized twin-engine turboprop. DAC did configure this plane with nine seats offering first-class legroom and a cargo bay that can accommodate all of our

Narrative

January 21, 2025

passengers' luggage. The difference in the two Metroliner-23 bids is one offers an increase in the number of flights operated 8 months out of the year. That option will add an additional flight on Tuesday and Wednesday, giving Alliance 14 roundtrips per week. Denver Air Connection has multiple pricing tiers with the Metroliner-23 with the lowest being \$59 and a refundable ticket at \$109. The schedule may be able to be improved by moving the morning flight departure to 30 minutes earlier than its current scheduled time. The final choice is 12 roundtrips per week with a 30-seat and 50-seat jet aircraft. This option could start with current infrastructure but would require a change of class for the Alliance airport. With increased enplanements improvements would be needed. Pricing would start at \$99. The schedule may be able to remain the same for departure times out of Alliance but would likely require final daily departure time out of Denver to be earlier.

All DAC bid options include baggage fees that were added in October for checked bags and are \$15 for the first, \$20 for the second, and \$25 for the third bag. No fees are charged for carry-on or personal items. Denver Air Connection has a ticket and baggage agreement with United, American and Delta. All Denver Air Connection options include the aircraft overnighting in Alliance and are for two, three, or four years of service.

Denver Air Connection currently has been servicing Alliance since 2019. Alliance has experienced a 99.6% completion rate, an 85% on-time performance rate in 2024, and increased enplanements with Denver Air Connection. DAC is the most reliable EAS carrier in the country with an annual flight completion rate of just over 99%. SkyWest and Contour typically complete about 98% of their flights annually. Most cancelled flights related to Alliance are due to extreme weather in either Alliance or Denver.

SkyWest Airlines is based in St. George, Utah and is the largest regional airline in the United States and the largest Essential Air Service carrier. SkyWest utilizes a 50-seat regional jet. SkyWest is currently operating in Scottsbluff, North Platte and Kearney, Nebraska. SkyWest has offered Alliance 12 roundtrips per week with a 50 seat jet aircraft, but the aircraft will come from Denver and not overnight in Alliance. SkyWest has many years' experiences and an outstanding record of growing traffic. The pricing and scheduling would be similar to Scottsbluff with the earliest flight departing around 10:00 a.m. SkyWest service would require certain airport infrastructure improvements along with Alliance changing their class of airport.

Contour Airlines is based in Smyrna, Tennessee and is the second largest Essential Air Service carrier in the United States. Contour submitted a bid for 12 roundtrips with a 30-seat jet aircraft with the aircraft overnighting in Alliance. The carrier will begin operating out of Denver in May of this year. Contour has different pricing tiers with the lowest being \$59 and increasing after that. A personal item, carry-on, and first checked bag are free. The second checked bag would be \$25 fee. The schedule could have a 6:00 a.m. – 7:00 a.m. departure from Alliance depending on what time the departures needed to be out of Denver for the evening. Contour has ticket and baggage agreements with United, American, Alaska and Airlines. This option would not require a class change for the airport and could start with current infrastructure. As enplanements increase, improvements would be needed.

Narrative

January 21, 2025

Contour's jet service is being offered to Alliance operating as a combined FAA Part 135 regulations with the DOT Part 380 Public Charter regulations. Airline operations in the United States are governed by two sets of FAA regulations and two sets of DOT regulations. For FAA, Part 121 regulations govern 50-seat and larger regional jet operations. FAA Part 135 regulations govern smaller scheduled service operations, typically 9-seat but also including 30-seat under select circumstances. The primary difference between Part 123 and Part 135 is pilot qualification requirements, less for Part 135, more for Part 121. For DOT, most airline operations are governed by DOT scheduled service regulations. However, charter flights are governed by a regulation set called Public Charter regulations. Public Charter regulations are more flexible, as they are designed for ad hoc or occasional charter operations.

Contour is one of three domestic carriers that operate daily scheduled service with 30-seat regional jets. They combined the FAA Part 135 regulations with the DOT Part 380 Public Charter regulations. This enables them to offer 30-seat regional jet service in EAS cities without the higher standard Part 121 pilot qualifications. This works well for them with the ongoing pilot shortages. More than 100 regional jets are operated daily by these three airlines under this combined regulation set. 23 of the 111 EAS cities in the nation (21%) have service provided by FAA Part 135/DOT Part 380 service.

Contour Airlines' bid proposal was submitted under the Alternate Essential Air Service program, while all other bids were as regular Essential Air Service. The main difference in the two programs is this:

- Alternate EAS the contract with the airline is with the City of Alliance instead of the Department of Transportation.
- Alternate EAS requires the City of Alliance to pay the airline directly and be reimbursed by DOT. This reimbursement takes place within 30 days of submittal to the DOT.

Jet service is an exciting growth opportunity for the airport as it provides not only the potential for increased passenger traffic but increased employment opportunities. Bringing jet service into a community has proven time and time again to increase enplanements. This number can not be precisely quantified due to the unknown nature of the number of people unwilling to travel on smaller aircraft. Increased enplanements can also increase the annual Airport Improvement Funding levels the airport receives every year through the FAA. While jet service is exciting it comes with the need for improved infrastructure and a possible class change of the airport. With current passenger levels, Alliance is experiencing some parking limitations, so expansion of the current concrete may need to be considered. In addition, the terminal check point is adequate for the 9-seat flights right now, but additional room would be necessary in the future. The terminal has multiple options for reconfiguring the current layout to improve the checkpoint issue. Additional staff, whether TSA, Airline, or airport personnel could create more than just a checkpoint issue. The space constraint of the checkpoint can be worked around until a long-term solution is explored.

Narrative

January 21, 2025

This final recommendation has been the most difficult decision regarding airline selection to date. This decision is basically coming down to do we want to grow the airport or maintain what we have. For the selection committee, the answer is growth.

Once that was decided, the committee had to evaluate the growth opportunities presented along with the other criteria from the priority list. The recommendation to City Council is Contour Airlines. Contour Airlines will allow passenger growth while providing the airport the opportunity to manage the challenges of jet service. The schedule and pricing will be close to or better than what we currently have. Pricing and scheduling is out of the airport's control and can change from what has been presented. The class of the airport can remain the same, which will give the airport a chance to explore options for increasing ARFF coverage outside of normal business hours.

The selection committee recognizes that Denver Air Connection has done a great job growing passenger traffic but there is a cap to what we can achieve with a 9-seat operation with the number of flights we are receiving.

The next steps in the process are:

- City Council will decide on the recommendation to the Department of Transportation.
- Airport Director will submit the letter of recommendation to DOT by the February 5th comment deadline.
- **Department of Transportation makes the final decision for airline service in Alliance, City Council is only making a recommendation not a final decision.**

RECOMMENDATION: APPROVE THE RESOLUTION RECOMMENDING CONTOUR AIRLINES BID FOR FOUR YEARS TO THE DEPARTMENT OF TRANSPORTATION FOR ALTERNATE ESSENTIAL AIR SERVICE AT ALLIANCE.

RESOLUTION NO. 25-11

WHEREAS, The City of Alliance owns and operates the Alliance Municipal Airport which provides commercial air service; and

WHEREAS, The Department of Transportation has solicited proposals from carriers to provide Essential Air Service to Alliance, Nebraska; and

WHEREAS, Our current carrier's contract to provide Essential Air Service ends May 31, 2025; and

WHEREAS, Four carriers submitted proposals which were evaluated and rated by our Airport Manager and individuals interested in the commercial air service provided to Alliance; and

WHEREAS, Based on the evaluations and interviews with the four carriers the group is recommending the selection of Contour Airlines to the Department of Transportation to provide Essential Air Service for Alliance.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the City of Alliance, Nebraska, that Contour Airlines be recommended to the Department of Transportation to provide Essential Air Service to the Alliance Municipal Airport.

RESOLUTION - Approve entering into contract negotiations with WSKF for preliminary design services for a new Public Safety Center

Following approval of the 2024-2025 Budget, staff began drafting a request for proposals (RFP) for preliminary design services for a new public safety center. This RFP was advertised from the latter part of October into the first part of November 2024 and resulted in seven (7) design firms submitting a response.

RFP responses were reviewed and scored independently by Troy Shoemaker, Fire/EMS Chief, David Leavitt, Police Chief, and Seth Sorensen, City Manager. Scores were then averaged and ranked, resulting in three companies that exhibited substantial experience with this type of project, with several hundred similar projects completed amongst them. The top three firms: BKV Group, Davis Design, and WSKF Architecture all had extremely close scores following this process and it was decided to request Zoom meeting interviews to differentiate between the firms for best fit for the project.

Interviews were held the third full week of December 2024, with all three reviewers attending. Following these interviews, it was determined that WSKF was the most qualified and best fit for our project for their past projects, communication skills, and team member experience. WSKF is located in Kansas City, Kansas and would complete this work through a combination of remote and on-site visits, working with staff and presenting to the public as necessary.

It is requested of the City Council to authorize the City Manager to enter into negotiations with WSKF for the purposes of establishing a final scope of work, cost and subsequent contract, which will come back to the City Council for final approval. Council approved the sum of \$100,000 for this project. Staff will work with WSKF to ensure that costs stay within this budgeted amount, and it is desirable that the final scope will include site selection, rough floorplan, 3D renderings, and estimated opinion of probable costs for the final project. This information will then be used to go to the public to determine the level of support for moving forward with the anticipated project.

RECOMMENDATION: Approve entering into contract negotiations with WSKF for preliminary design services for a new Public Safety Center

RESOLUTION NO. 25-12

WHEREAS, The City of Alliance operates the Alliance Police Department and the Alliance Fire Department; and

WHEREAS, The Police Department and Fire Department are a vital asset to the City of Alliance for the safety and well-being of the community; and

WHEREAS, The City put out an RFP in November 2024 for proposals for preliminary design services for a new public safety center; and

WHEREAS, There were seven design firms that responded and submitted proposals; and

WHEREAS, The proposal were reviewed and scored independently by the Fire Chief, Police Chief and City Manager, then averaged and ranked; and

WHEREAS, Interviews were conducted on the top three design firms to determine the most qualified and best fit firm.

WHEREAS, After interviews City Staff has determined that WSKF Architecture is the best fit firm for the preliminary design services.

WHEREAS, The City Manager requests that the City Council enter into an agreement with WSKF Architecture for the preliminary design services for a Public Safety Center to not exceed One Hundred Thousand and NO/100s Dollars (\$100,000).

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and City Council of Alliance, Nebraska, the City Manager is authorized to enter into a contract negotiations with WSKF Architecture.

BE IT FURTHER RESOLVED, that the study should not exceed the authorized budgeted amount of \$100,000.

Narrative

JANUARY 21, 2025

ALTERNATE ELECTRIC FEED LINE FEASIBILITY STUDY

The largest concern with the City of Alliance electric system is the fact that there is only one transmission source feeding the whole system. Currently the only source is located on west 10th street. In the event of a major catastrophe, and we were to lose this one source, our entire electric grid would be left de-energized. Looking at the “big” picture, a second alternate feed source would be extremely beneficial to maintain our system’s reliability and resilience. Included in the ’25 budget were funds to have a study performed and a recommendation on where/how to secure and locate an alternate feed source. The study will look into the feasibility and costs associated with an alternate source.

In October of 2024 an RFP was put out asking for proposals. We received one proposal from Farris Engineering. Several reference checks were performed and staff believes that Farris Engineering will perform the study accurately and economically. Farris Engineering has entered a proposal for \$232,180.00 to perform this study. It is staff’s recommendation to accept the proposal from Farris Engineering and award a contract in the amount of \$232,180.00 for an Alternate Electric Feed Line Feasibility Study. The budgeted funds were in GL # 05-51-54-53-948 Rural Rebuilds

RECOMMENDATION: AWARD CONTRACT TO FARRIS ENGINEERING TO PERFORM ALTERNATE FEED LINE FEASIBILITY STUDY

RESOLUTION NO. 25-13

WHEREAS, The City of Alliance owns and operates the Alliance Municipal Electric System; and

WHEREAS, In order to maintain the quality and efficiency of our distribution system the City is continuously performing upgrades and maintenance; and

WHEREAS, The City put out an RFP in October 2024 for proposals to perform an Alternate Feed Line Feasibility Study; and

WHEREAS, One proposal was received from Farris Engineering; and

WHEREAS, The proposal from Farris Engineering underwent several reference checks and the City believes that Farris Engineering will perform the study accurately and economically; and

WHEREAS, City Staff is recommending to accept the proposal from Farris Engineering in the amount of Two Hundred Thirty-Two Thousand One Hundred Eighty Dollars and NO/100s (\$232,180) and award the contract to perform the Alternate Feed Line Feasibility Study.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and City Council of Alliance, Nebraska, the Mayor is authorized to enter into a contract with Farris Engineering for the Alternate Feed Line Feasibility Study.

BE IT FURTHER RESOLVED, that the study should not exceed the contract amount of \$232,180 which was budgeted funds from *Rural Rebuilds* GL #05-51-54-53-948.

BE IT FURTHER RESOLVED, that the Mayor is authorized to execute the contract associated with this project.

ARTICLE 1 ARCHITECT'S RESPONSIBILITIES

The Architect shall provide architectural services for the Project as described in this Agreement. The Architect shall perform its services consistent with the professional skill and care ordinarily provided by architects practicing in the same or similar locality under the same or similar circumstances. The Architect shall perform its services as expeditiously as is consistent with such professional skill and care and the orderly progress of the Project. The Architect shall assist the Owner in determining consulting services required for the Project. The Architect's services include the following consulting services, if any:

Study on providing a secondary or alternate feed electric line to serve as a backup in the event of failure or inoperability of the existing primary electric feed line. This study will evaluate options to ensure the reliability, safety and continuity of the City's electric power supply, thereby reducing vulnerability to outages.

Needs Assessment:

- Assess current electric infrastructure and the critical need for a secondary line.
- Evaluate the risks associated with the existing primary electric line and potential points of failure.

Feasibility Analysis:

- Conduct a technical feasibility study for the proposed alternate electric line.
- Identify suitable routes, considering geographic, environmental and land ownership constraints.
- Evaluate various potential technical solutions and configurations.

Environmental and Regulatory Review:

- Identify environmental considerations and any required permits or regulatory approvals that would be required for construction. Identify where those permits would be obtained and estimated timelines to receive such permits.
- Provide an overview of potential impacts on local ecosystems, land use and communities.

Cost Estimation and Budgeting:

- Develop preliminary cost estimates for each identified route and configuration.
- Identify potential funding sources or grants that may be available to support project development.

Recommendations:

- Provide recommendations for the preferred route and configuration based on technical feasibility, cost and environmental considerations.
- Include an implementation timeline and a phase approach, if applicable.

Stakeholder Engagement:

Conduct meetings with key stakeholders, including City staff, local businesses and community member, to gather input and ensure transparency.

Present findings to City officials in a formal report and provide support during public presentations as needed.

ARTICLE 2 OWNER'S RESPONSIBILITIES

The Owner shall provide full information about the objectives, schedule, constraints and existing conditions of the Project, and shall establish a budget that includes reasonable contingencies and meets the Project requirements. The Owner shall provide decisions and furnish required information as expeditiously as necessary for the orderly progress of the Project. The Architect shall be entitled to rely on the accuracy and completeness of the Owner's information.

ARTICLE 3 USE OF DOCUMENTS

Drawings, specifications and other documents prepared by the Architect are the Architect's Instruments of Service, and are for the Owner's use solely with respect to constructing the Project. The Architect shall retain all common law, statutory and other reserved rights, including the copyright. Upon completion of the construction of the Project, provided that the Owner substantially performs its obligations under this Agreement, the Architect grants to the Owner a license to use the Architect's Instruments of Service as a reference for maintaining, altering and adding to the Project. The Owner agrees to indemnify the Architect from all costs and expenses related to claims arising from the Owner's use of the Instruments of Service without retaining the Architect. When transmitting copyright-protected information for use on the Project, the transmitting party represents that it is either the copyright owner of the information, or has permission from

the copyright owner to transmit the information for its use on the Project.

ARTICLE 4 TERMINATION, SUSPENSION OR ABANDONMENT

In the event of termination, suspension or abandonment of the Project by the Owner, the Architect shall be compensated for services performed. The Owner's failure to make payments in accordance with this Agreement shall be considered substantial nonperformance and sufficient cause for the Architect to suspend or terminate services. Either the Architect or the Owner may terminate this Agreement after giving no less than seven days' written notice if the Project is suspended for more than 90 days, or if the other party substantially fails to perform in accordance with the terms of this Agreement. Except as otherwise expressly provided herein, this Agreement shall terminate one year from the date of Substantial Completion.

ARTICLE 5 MISCELLANEOUS PROVISIONS

This Agreement shall be governed by the law of the State of Nebraska. Terms in this Agreement shall have the same meaning as those in AIA Document A105-2017, Standard Short Form of Agreement Between Owner and Contractor. Neither party to this Agreement shall assign the contract as a whole without written consent of the other.

Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either the Owner or the Architect.

The Architect shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.

ARTICLE 6 PAYMENTS AND COMPENSATION TO THE ARCHITECT

The Architect's Compensation shall be:

Two Hundred Thirty-Two Thousand One Hundred Eighty Dollars and No Cents (\$232,180.00)

Reimbursable expenses are included in the above fee.

At the request of the Owner, the Architect shall provide additional services not included in Article 1 for additional compensation. Such additional services may include, but not be limited to, providing or coordinating services of consultants not identified in Article 1; revisions due to changes in the Project scope, quality or budget, or due to Owner-requested changes in the approved design.

RESOLUTION – JELINEK CUSTOM CLEANING ECONOMIC DEVELOPMENT ASSISTANCE LOAN

Jelinek Custom Cleaning has applied for an Economic Development Assistance loan from the City's Economic Development Program. The Applicant is expanding its edible bean processing facility near Alliance. The proceeds of the Loan will be used primarily for a new warehouse for storage. The City Economic Development Application Review Committee has reviewed the application and recommended a loan of \$250,000.00, with interest at the Federal Mid-Term Rate, payable over 5 years. The Applicant is eligible for job credits to be applied to the note for up to 6 full time employees residing within 50 miles of Alliance. The job credits are generally equal to \$2,000.00 per full time employee, per year with the maximum annual job credit of \$12,000.00 and the maximum total job credit of \$60,000.00. The Resolution approves the loan and authorizes the City Manager and Finance Director to issue and administer the loan.

RECOMMENDATION: APPROVE THE RESOLUTION FOR ECONOMIC DEVELOPMENT ASSISTANCE TO JELINEK CUSTOM CLEANING.

RESOLUTION NO. 25-14

BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF ALLIANCE, NEBRASKA:

Recitals:

- a. The City has adopted an Economic Development Program (the “Program”) according to the Nebraska Local Option Municipal Economic Development Act.
- b. Jelinek Custom Cleaning Inc. (the “Applicant”) has made application for assistance from the Program (the “Application”).
- c. The Administrator of the Program and the City Economic Development Application Review Committee (the “Committee”) have reviewed the Application.
- d. The Committee recommended to the City Council that a loan (the “Loan”) be made to the Applicant from the City of Alliance Economic Development Fund as provided for in the proposed Economic Development Assistance Agreement with the Applicant (the “Agreement”).

Resolved:

1. The Committee’s recommendations are approved by the City Council.
2. The Agreement between the City and Applicant as presented is approved. The City Manager is authorized to sign the Agreement on behalf of the City with any such changes and amendments to the Agreement which are consistent with the Committee’s recommendations and which the City Manager deems in the best interest of the City and the Program.
3. The City Manager and City Finance Director are authorized to take all necessary actions and sign all necessary documents to make and administer the Loan according to the terms of the Agreement.
4. This Resolution shall become effective immediately upon its adoption.

ECONOMIC DEVELOPMENT ASSISTANCE AGREEMENT

This Agreement is made between the City of Alliance, Nebraska (the “City”) and Jelinek Custom Cleaning Inc., a Nebraska Corporation (the “Applicant”).

Recitals:

- a. The City has adopted an Economic Development Program (the “Program”) according to the Nebraska Local Option Municipal Economic Development Act.
- b. The Applicant has made application for assistance from the Program (the “Application”);
- c. The Administrator of the Program and the City Economic Development Application Review Committee (the “Committee”) have reviewed the Application and recommended to the City Council that a loan (the “Loan”) be made to the Applicant from the City of Alliance Economic Development Fund (the “Fund”) as provided for in this Agreement. The City Council has approved the Committee’s recommendation.
- d. The parties enter into this Agreement to set forth terms and conditions of the Loan.

Agreement:

1. **Purpose of Loan:** The Applicant is expanding its edible bean processing facility near Alliance, Nebraska (the “Business”). The proceeds of the Loan will be used primarily for a new warehouse for storage.
2. **Amount of Loan:** The Loan will be in the amount of \$250,000.00 and will be disbursed from the Fund to the Applicant as provided for below. The Loan will be represented by a promissory note (the “Note”) to be signed at the Loan Closing in the form acceptable to the City. The principal balance of the Note will accrue interest at the Applicable Federal Mid-Term rate for the month of the Loan Closing. The Note will be paid over 5 equal annual installments of principal and interest. The first installment will be due approximately one year after the Loan Closing and each subsequent annual installment will be due on each anniversary date of the initial installment until the Note is paid in full.
3. **Loan Disbursement and Loan Closing:** After the Applicant has satisfied the conditions of the Loan Closing, the amount of the Loan will be scheduled as a claim at the next City Council meeting for which the matter may be reasonably scheduled. The City will disburse the Loan proceeds within 10 business days after the City Council has approved a claim for the Loan. The disbursement of the Loan proceeds will constitute the “Loan Closing.”

4. **Job Credits:** As long as the Applicant is not in default of the Note, this Agreement, or any other document entered into according to this Agreement, the Applicant will be eligible for credits against the balance due under the Note for Job Credits earned during a Year, subject to the following terms and conditions.

A “Year” means the 12-month period ending on each September 30.

The “Annual Job Credit” for a Year will be equal to the Applicant’s FTE’s, not to exceed 6 FTEs, multiplied by \$2,000.00. Applicant is also the party to an Economic Development Assistance Agreement with the City which began in 2019 (the “2019 Agreement”). Applicant will not receive any Job Credits under this Agreement if such Job Credits are also being applied to the loan in the 2019 Agreement.

The Annual Job Credit in a Year cannot exceed \$12,000.00 (the “Maximum Annual Credit”). The maximum Job Credits may not exceed \$60,000.00 (“Maximum Credit”).

If the Applicant earns credits in excess of the Maximum Annual Credit in any one Year, the excess credits may be carried back to one or more prior Years where the Maximum Annual Credit was not earned, as long as the Maximum Annual Credit is not exceeded for any one Year and the Maximum Credit is not exceeded. Excess credits may not be carried forward. No Job Credits may be applied after the final payment or maturity of the Note.

In order to receive the Annual Job Credit, the Applicant must file an Annual Report as provided for below. Annual Job Credits will be applied against the principal balance of the Note as prepayments, which will not alter the amount of the annual payment due under the Note. Once the Note is paid in full, no further Annual Job Credit may be earned.

5. **Employee Definitions:**

- a. “Full Time Employee” means a bona fide employee of the Applicant who (1) is classified by the Applicant as full time; (2) subject to normal and reasonable waiting periods, is eligible for the employer’s normal fringe benefit package; and (3) earns no less than 110% of the applicable minimum wage (or the equivalent for salaried employees). This normal fringe benefit package must, at the least, include a health insurance plan with coverage offered to each employee which is, if not declined, substantially paid for by the Applicant.
- b. “Eligible Full Time Employee” means a Full Time Employee, who: (1) primarily works at the Business; and (2) resides within 50 miles of the corporate limits of the City. However, any Full Time Employee who does not reside within 50 miles of the corporate limits of the City at the time that the Full Time Employee is hired, will still considered an Eligible Full Time Employee if the Full Time Employee moves to a residence within the required geographic area within 6 months of the hiring.
- c. “Full Time Equivalents” or “FTE’s” is determined by dividing (1) the total work hours for which Eligible Full Time Employees were paid by the Applicant in a Year by (2) 2080 hours and then rounding to the nearest tenth. The maximum work hours that can be counted for an Eligible Full Time Employee may not exceed 40 hours per week. Salaried employees are presumed to have been paid for 40 hours per week.

6. **Security:** To secure the Applicant's obligations under the Note and this Agreement the Applicant will provide the following "Security": a Deed of Trust, in the form approved by the City, to land owned by Applicant or Applicant's owner, which, in the opinion of the City, is of sufficient value to secure the Loan; a personal guaranty from the Applicant's owner; and a security interest in Applicant's personal property. The Security will be substantially the same as the security provided according to the 2019 Agreement.
7. **Representations and Warranties of the Applicant:** The Applicant represents and warrants the following, all of which will survive the Loan Closing:
 - a. The Applicant is a corporation organized, existing, and in good standing under the laws of Nebraska. The Applicant has full power and authority to enter into this Agreement and carry out the transactions contemplated by this Agreement. The Applicant's execution, delivery and performance of this Agreement have been authorized by all necessary action on the part of the Applicant. This Agreement, and each agreement and instrument delivered by the Applicant to the City related to this Agreement is and will be the legal and binding obligation of the Applicant.
 - b. No representation or warranty made by the Applicant in this Agreement contains or will contain any untrue statement of any material fact, or omits or will fail to state any material fact known to the Applicant that are required to make the statements not misleading.
 - c. The execution and performance of this Agreement will not violate any provision of law, or conflict with, or result in any breach or default of any of the terms or conditions of any indenture, mortgage, agreement, or other instrument to which the Applicant is a party or by which they are bound.
8. **Conditions to Loan Closing:** The City's obligation to proceed with the Loan Closing is subject to the Applicant's fulfillment of each of the following conditions at or prior to the Loan Closing:
 - a. All representations and warranties of the Applicant shall be true as of the Loan Closing.
 - b. The Applicant must deliver to the City:
 - i. Evidence the Applicant is authorized to do business and in Good Standing in the State of Nebraska;
 - ii. Organizational documents and resolutions, as requested by the City, showing who has the authority to sign this Agreement, the Note, security documents, and related documents on behalf of the Applicant.
 - iii. The Security as described in Section 6.
 - c. The Applicant shall have performed its obligations, agreements, and covenants contained in this Agreement to be performed by them, on, or before the Loan Closing.
 - d. There shall have been no material adverse change in the operation or financial status of the Applicant since the Application was submitted, and the Loan Closing will constitute the Applicant's representations that there has been no such material adverse change.
 - e. In requesting the disbursement of the Loan, the Applicant is considered to have represented that the above conditions have been satisfied and are continuing to be satisfied.

- 9. Annual Reports:** To claim Annual Job Credits, the Applicant shall, within 90 days after the end of each Year, provide to the City a report in form and substance provided and required by the City which calculates the Annual Job Credit for the Year (the "Annual Report"). The City shall have the right at any time to (a) require that the Annual Reports be reviewed at the Applicant's expense by a Certified Public Accountant reasonably acceptable to the City, or (b) hire, at the City's own expense, an independent Certified Public Accountant or other business or financial expert, to review the books and records of the Applicant pertaining to the Annual Reports and any other terms and conditions as provided for in this Agreement. If after a review or audit of the Applicant's records it is discovered that the Annual Job Credit claimed on the Annual Report exceeds by 10% the Annual Job Credit as determined by the City, then the City may require the Applicant to reimburse the Fund for the actual cost of the audit.
- 10. Default:** The Applicant will be in default in this Agreement and the Note if any of the following happen:
- a. Failure to comply with any of the terms of this Agreement or the Note.
 - b. Any warranty, representation or statement made or given to the City by the Applicant proves to have been false in any material respect when made or given.
 - c. Dissolution or liquidation of the Applicant, the termination of existence, insolvency, business failure, appointment of a receiver, assignment for the benefit of creditors, or bankruptcy of the Applicant.
 - d. The Applicant ceases to conduct its Business or moves its Business without prior written notice to the City of the move.
- 11. Assignability:** The Applicant may not assign or transfer its interest in this Agreement without the consent of the City. An assignment by Applicant will include a transfer of ownership of the Applicant which results in the current owners, together, owning less than 50% of the ownership interests of the Applicant.
- 12. Confidentiality:** This Agreement and its terms are a public record and are not confidential. However, the City agrees to take reasonable steps to insure that any financial and proprietary information provided in connection with this Agreement by the Applicant will remain confidential and will not be revealed or disclosed to outside sources unless the information is public knowledge, is independently developed, or is required to be disclosed by law or legal process.
- 13. Notices:** Any notices or other communications between the parties shall be personally delivered, sent by certified or registered mail, return receipt requested, by Federal Express or similar service that records delivery, to the addresses set out below, or to such other address as a party may designate, from time to time, by written notice to the other. A notice shall be deemed effective upon receipt.
