Mission Statement

Serving our community by protecting all

2025

MESSAGE FROM THE CHIEF

To the Citizens of Alliance,

On behalf of the men and women of the Alliance Police Department who work tirelessly to keep our city safe, it is my privilege to present the 2025 Annual Report. This year reflects meaningful progress, thoughtful investment, and continued partnership with our community.

We are in an exciting period of transformation as we plan for the construction of a new Public Safety Center that will house the Alliance Police Department, Alliance Fire Department, and the Alliance Public Safety Communications Center. This modern facility will replace outdated spaces, improve operational efficiency, and support future growth. At the same time, public safety in Alliance continues to move in a positive direction.

As I approach two years as Chief of Police, I am extremely proud of the professionalism and dedication of our officers and staff. In 2025, we made significant investments to enhance safety and efficiency, including new patrol vehicles, updated firearms, a drone program, a new P25 radio system, upgraded body-worn and in-car cameras, and the deployment of BolaWrap non-lethal devices for every officer. Although recruitment remains a nationwide challenge, we successfully added an officer this year and have strong applicants in process. I am grateful that we have not lost a single officer during my tenure.

I would like to thank former City Manager Seth Sorensen and the Alliance City Council for their leadership and continued support, and most importantly, the citizens of Alliance for your trust and partnership. Together, we remain committed to keeping public safety a top priority in our community.

Sincerely,

David S. Leavitt
Chief of Police

Larceny/Theft Offenses	65	56	16.07%
Motor Vehicle Theft	5	6	-16.67%
Stolen Property Offenses	20	16	25.00%

Our crimes against persons are up significantly with a noted increase in assaults. Most of these incidents are domestic related or known offenders involving alcohol and substance abuse. Our property crimes, however, are down with a noticeable decrease in burglaries.

Alcohol Violations	29	9	222.22%
Disorderly Conduct	37	28	32.14%
Drug/Narcotic Offenses	52	22	136.36%
Other Offenses	194	128	51.56%
Weapon Law Violations	18	13	38.46%

Looking at our arrest data, our arrests for DUI, Drug Offenses, Weapon Violations and all other arrest categories are up significantly. However, we cannot arrest our way out of the issues facing Alliance. Our calls for service showed only a slight increase in 2025. Lack of resources for mental health and substance abuse continue to drive our calls for service as well as our arrests

Alliance Public Safety Communications Center

The Alliance Public Safety Communications Center operates under the direction of Communications Supervisor Hannah Gerth and reports to the Police Captain. The division consists of one communications supervisor and seven full-time public safety dispatchers.

As the first link in the public safety chain, dispatchers monitor seven radio frequencies, answer all 9-1-1 calls for Box Butte County, and manage multiple non-emergency and after-hours phone lines. Communications personnel are required to maintain extensive certifications, including NCIC/NCIS, Emergency Medical Dispatch, and the APCO 80-hour Basic Telecommunicator Course. Additional training includes FEMA Incident Command, CPR, and Crisis Intervention Team instruction. Several dispatchers are certified trainers who provide both initial and ongoing training, ensuring consistent, high-quality service.

Dispatchers play a critical role during medical emergencies by providing life-saving pre-arrival instructions, so care begins immediately. The Communications Center also serves as the department's Records Division, processing bicycle and animal licenses, impound fees, gun permit applications, police report requests, and liquor license background checks. In 2024, the department implemented online payment options through the city website, accessible via a QR code at the dispatch window.

The Communications Center dispatches law enforcement, fire, and emergency medical services and is fully prepared to manage major incidents and severe weather events. Dispatchers are responsible for activating city-wide tornado sirens when necessary to alert the community. The communications team is proud to serve the citizens of Alliance and Box Butte County with professionalism and dedication.

ANIMAL CONTROL

This division is comprised of 1 full-time Animal Control Officer, and one part-time Animal Control Officer. The Animal Shelter is maintained 24/7 with the help of volunteers. Our animal shelter is inspected once a year by the state. Because of ACO Ravert’s efforts, we consistently exceed expectations.
